their parents, their sponsoring institution, and their city with a pride and feeling of being a part in building character, fellowship, and brotherhood among many Boy Scouts. Scoutmaster Steelman reports, "The Canadian Goodwill tour is quite unique in that the Scouts will tour in both the United States and Canada, and will be acting as ambassadors from Louisburg.

The expense, time and work put into this event by so many people, can be more than justified in that the proudest product, the Boy Scouts themselves, will carry the banner, "For Friendship".
