## Teenage Chat

Lots of things are "happening" around Youngsville but everyone is keeping silent! Have you heard the song, "The Happening"?

Even while we went to school together, I knew some people were different but now that summer has arrived, I have proof of it.

Now-a-days Jesse Preddy can't seem to realize that Saturday follows Friday. Jimmy Keith has begun to blow his "horn" by blinking his lights. Distinctively different is Steward Woodard and his "large-scale nightmares"! Better watch that!

I was out riding the other night on a "babysitting" job when I passed a certain white house in my community and saw a green '57 Chevy sitting in its yard. Wonder what's up?

You know, in this mean ole, wonderful world of ours, some people have all the luck while others have none. Some people like Darlyne Cash, work on lawn mowers and get two letters a day while others work out in the sun and get only one per

week! Rotten luck! The Youngsville Baptist Church is sponsoring a recreational program every Monday, Wednesday and Friday night at the Youngsville High School gym from 7:30 to 9:00 P. M. Don't waste your time away, let them do "it" for you!

Heard a good one the other day on WKIX. Definition of a kiss: A mouthful of nothing that taste like heaven and sounds like a cow pulling her foot out of mud. How about that!

## Birth
