Teenage Chat Youngsville

Now I've heard of everything! A certain lady, namely Cathy Brown, trying to get to a 7:30 class on air! "Fortunately," she gave out of gas and air just didn't seem to work! Seven-twenty is a nice hour to be taking your morning stroll to a friendly country service station, right Cathy? Enie, Meenie, miney, moe can be paraphrased to Andy, Bennie, or Jones for one certain someone! Really gets your "cookies" doesn't it. Not really!!

Something tells me Larry and Steward are up to their "old tricks" again just like in "ole times"!

By the way, anyone been having any unchaperoned, chaperoned beach parties lately?

Just don't know how Jo Ann's going to keep up with Ronnie while she's at Myrtle Beach, S. C. Jenny's back from "baking" down at Myrtle Beach over the weekend. Keeps smiling Jenny, it works miracles!

Oh yes, a word to the wise, never play tow-car from Raleigh to Youngville! It's fun while it lasts but WOW after your folks find out!

I was wondering the other day as to how Linda Winston's piano and voice lessons were progressing. Seems like at one time it was sort of rough. Now Linda's "skipping" lessons because she's gone to Carolina Beach to learn but I can't say what!!

Seen around Satterwhite Point at Kerr Lake over the weekend were Ski-King Green, Vickie, Darlyne and Sandra. Elsewhere on Kerr Lake were Jerry and Jeff!

You know, it's good to have folks around like Sandra Hill. She knows what it's like to be the youngest member of the family and how hard parents try to cling to you. Thanks Sandra!

On a recent "tour" of Youngsville, I saw some teens out strolling -- Wade, Nancy, Harriet, Janet -- and I saw some out riding like Wimpy, Marvin, Harold and Bobby!

Birthday wishes go to Billy Winston! What's this I hear about a white Mustang going over to Tarboro road about 11:00 on Sunday morning? If you've got a job to do, you've just got to get it done!
