

**WOULD YOU VOTE FOR
A MAN WHO CALLED
HUBERT HUMPHREY
"A GREAT AMERICAN"?**

Back in 1964, when Bob Scott was named national chairman of "Rural Americans for the Johnson-Humphrey Committee", he called Hubert Humphrey "a great American".

This year, you can do something to keep Hubert Humphrey and Bob Scott from messing things up in North Carolina.

You can do it by voting for a man who will make Our State great again. You can do it by electing a man who will fight for the right to

govern our schools, rather than turn them over to Washington.

This man is Jim Gardner. He thinks like you — and acts for you. He will represent you and every other person in North Carolina as we have not been represented for years.

He's one man you will be proud to call Your Governor. Remember that when you vote November 5th.

ELECT JIM GARDNER GOVERNOR

Stand Up For North Carolina - And Elect a Man Who Will Stand Up For You!
