'Canes Down Chowan, Meet Ferrum Tonight

Louisburg built up a fifteen point halftime lead and then weathered a strong second half comeback by Chowan's Braves to claim their fifth consecutive Cavalier-Tarheel Conference win. Playing almost flawlessly, both on offense and defense, the 'Canes slowed down the high scoring Chowan five to a total of 31 first half points while building their total to 46. The Braves roared back in the second half and poured in 60 points but their final tally of 91 was still four short of the 'Canes total of 95.

Louisburg built up a ten point lead at 21-11 with 8½ minutes gone in the first half. The lead stayed at 8 and 10 points until the final minute of the half when the 'Canes scored the final six points to leave on the top side of a 46-31 score. Terry Davis and Larry Paschall shared the brunt of the 'Canes first half scoring with 14 points each. During the first seven minutes of the second half the Hurricanes maintained their halftime lead, but with 13:25 remaining the Braves reeled off eight straight points to leave the 'Canes with a 61-56 lead at the 11:28 mark. With 7:11 remaining Harry Gray connected for a field goal that cut the Canes margin to one point at 72-71. At 6:02 the score was 76-75 Louisburg.

At this point George Bowden came off the bench to spark a 'Cane rally that sent them out front by 86-77 with 3:44 remaining. Bowden, out of action for almost two

weeks with a sprained ankle suffered in the Brevard game January 11, hit on three field goals and a foul shot in the space of one and one half minutes. Davis added a foul shot and a field goal as the score mounted to what seemed to be a safe nine point lead at this point in the game but the Braves were not through as six straight points made the score 86-83 with 2:53 remaining. A field goal by Bob Walker and a foul shot by Sandy Frazier sandwiched between two Chowan field goal made the score 89-87, Louisburg, with 1:25 remaining. Davis was fouled with 1:02 remaining and made good on a one and one but a Chowan field goal cut it to two again with 42 seconds remaining. Paschall sank two foul shots with 33 seconds remaining and John Lewis banged home a driving lay-up before two Chowan foul shots with 4 seconds to go made the final score 95-91. Davis scored a season's

That's why McCulloch created the world's lightest chain saw, the Power Mac 6. It's powerful enough for you to cut a whole winter's worth of firewood in 1 hour. Even though it's light enough for baby to hold with her little finger. Of course the Power Mac 6 can do a lot of things besides cut firewood. It can trim a tall tree. Build a small building. Zip through an 8 inch log in 6 seconds. And handle all those manly jobs you'd love to do, if you only had a chain saw that weighed merely 6-1/2 lbs. But right now, baby's cold. To warm her up, see your McCulloch Dealer. He's in the Yellow Pages.
