

we care

how good are A&P frozen vegetables?

Read on... you be the judge.

The best vegetables are Grade A.

Every package of A&P Brand Frozen Vegetables is Grade A.

Pick up a package.

You'll see. "Grade A" is printed on every wrapper.

Do you have a different brand in your freezer?

Check it. See if it's labeled Grade A.

Surprised at the quality of A&P Brand Frozen Vegetables?

Not if you're an A&P shopper.

After all, it does bear the A&P seal.

What more is there to say?

Just this.

You won't believe the prices... they're so low.

Are A&P Brand Frozen Vegetables a good reason for shopping A&P?

They're one of many.

P.S. There are exceptions:

Potato Morsels, Cottage Fries, Whole Peeled Potatoes.

That's because today there are no standards for Grade A on these items.

But don't worry. There are none finer.
