

In The Service Of Uncle Sam

JACKIE ALLEN WEATHERSBY

Louisburg has furnished another United States Marine when Jackie Allen Weathersby enlisted at the Marine Corps Recruiting Station in Raleigh, N. C. The new Marine is the son of Mr. and Mrs. C. B. Weathersby of Rt. 1, Louisburg, N. C.

Private Weathersby enlisted for two years under the 120 day delayed enlistment program, which allows a young man to select, months in advance, the date he will leave for active Marine Corps duty.

Sgt. Speeks, local Marine recruiter explained some of the advantages of 120 day delay program. The new Marine can make plans and get his affairs in order because he is certain of his active duty date. Since he is already a Marine during the delay period the time counts toward his total service obligation, his first pay raise and his first promotion.

Private Weathersby reported to recruit training on 30 Jan., 1969.

ROBERT P. HARRIS

FORT BENNING, GA. - Sergeant First Class Robert P. Harris, son of Mrs. S. D. Harris, Route 4, Louisburg, North Carolina, has been assigned to the U. S. Army Infantry Board at Fort Benning.

Entering the Army in October 1953, Harris has had extensive training and experience in Personnel and Administration. He has been assigned to this department at the Infantry Board. The Infantry Board, an Infantry material test activity of the U. S. Army Test and Evaluation Command, tests all weapons, equipment, clothing and vehicles developed for use by the Infantry.

Sergeant Harris is married to the former Miss Marlean Perry of Columbus, Georgia. They have one son, Forest, 5 years of age. During his tour of duty at the Infantry Board, the Harris family reside at 901 Joy Road, Columbus, Georgia.

THEODORE H. ABBOTT

U. S. ARMY, VIETNAM (AHTNC) - Army Private Theodore H. Abbott, 20, son of Mr. and Mrs. Melvin W. Abbott, Route 1, Franklin, N. C., was assigned Dec. 16 to the 554th Light Equipment Maintenance Company in Vietnam, as a cable splicer.

JOSEPH W. FINCH

(E0251) **BARBERS POINT, HAWAII (FHTNC)** Jan. 24 - Seaman Apprentice Joseph W. Finch, USN, son of Mrs. Marlen E. Burnette of Route 4, Louisburg, N. C., has reported for duty at the Naval Air Station, Barbers Point, Hawaii.

Barbers Point is the central naval air facility in the Pacific. It supports the operations of aviation activities and units of the operating forces such as transiting aircraft carriers, four patrol squadrons, a transport squadron, utility squadron, and training and service units based there.

School Board Sets Lunch Program

The Franklin County Board of Education announced today that the Franklin County School System had been declared eligible to participate in a new free and reduced price school lunch program. Policies for its initiation and administration have been approved by the North Carolina State Office of School Food Services.

Eligibility for children to participate is determined by total family income and number of children in school. Application forms have been sent to all families. Those interested in participating have completed the forms and returned them to the home room teachers. This part of the school lunch program is funded by the Federal Government through the United States Department of Agriculture and sponsored by the County Board of Education.

MRS. RONALD RADFORD OF ROUTE 1, LOUISBURG, WON THE SEWING MACHINE

Our oil was good enough for everybody. Except us.

People thought Dino Supreme was about the best oil you could buy. But it still wasn't good enough. For us! So we set up some new standards. Even above those of the car makers. And developed a new 10W-40 oil. Then we tested this newly formulated oil against four top multi-graded motor oils. We came out ahead. In protection against wear. Against rust. And ahead in resistance to

sludge formation. It proved we were good enough. For ourselves. And better than good enough for your car. If your car had a mind of its own, it wouldn't run without us. Diners Club, Carte Blanche, Hertz and American Express cards honored at Sinclair stations.
