

Success Prescription Given At Xi Luncheon

"Prescription For Success" was the topic of the program presented Saturday at the luncheon meeting of Xi Chapter, Delta Kappa Gamma Society International, held at the Henderson Motel, Henderson, N. C.

Miss Elizabeth Johnson, Chairman of the Committee on Personal Growth and Services, led the committee members in a doctor's approach of getting the case history of, ascertaining the symptoms of and finally prescribing for "Success".

In giving the case history, the question: What Is Success? was answered by Miss Johnson with a quote from Webster's dictionary as a "favorable termination of a venture; often, specifying the attainment of wealth, fame, etc." and a quotation from "Dust to Divinity" by E. C. Nance:

"He lives a successful life who has cultivated a sense of humor, and can laugh and love much; who wins the esteem of sensible people, and the admiration of youth; who plays the game of life on the square; who has found what he can do best and puts his best into his work; who makes the world better by his being here; who has learned to appreciate the beauties of nature and the value of character; who looks for the good in others and knows his own faults and strives to correct them; who produces something useful; who sets the right example for others; who loves life yet is not afraid to die; who worships God with his hands as well as with his lips."

Stating then that "Success" knows not greatness in position, it only signifies a favorable result, Miss Johnson introduced the committee members who, using an acrostic on a poster, gave the symptoms of "Success". Mrs. R. G. Bailey of Louisburg spoke on Squareness in Living, Understanding, and Character; Mrs. C. Ray Pruette of Franklinton described the place Christian Living and Education have in Success; and Mrs. K. B. Stallings of Louisburg said a Sense of Humor and unselfish Service, play a large role in Success.

The following prescription was then given by Miss Johnson:

"To 25 oz. of CHARACTER, add 10 oz. of UNDERSTANDING, 10 oz. of CHRISTIAN LIVING, 10 oz. of SQUARENESS IN LIVING, and 10 oz. of EDUCATION. Into this mixture thoroughly blend 20 oz. of unselfish SERVICE and 15 oz. of HUMOR, and use a generous amount continually each day."

Mrs. L. R. Holland of Henderson, Xi president, presided at the luncheon and business meeting during which committee reports were heard.

The Franklin County

members assisted Mrs. Mamie B. Clayton of Louisburg as hostess. Decorations of the valentine motif were used on the luncheon tables.

Franklin County members present were: Franklinton, Mesdames J. O. Green, B. W. Honeycutt, C. Ray Pruette, W. A. Shearon, T. N. Stephens, H. H. Utley, and Miss Edith Jackson; Louisburg, Mesdames R. G. Bailey, H. T. Bartholomew, J. B. Clayton, C. M. Davis, S. A. deHart, Earl Murphy, John C. Pernell, K. B. Stallings, W. A. Wilder, R. F. Attends Cancer Meeting

Mrs. W. C. Timberlake, Treasurer of the Franklin County Cancer Society, represented the county unit at the American Cancer Society's Educational Funds Crusade meeting held in Raleigh on Wednesday Feb. 12 at the Sheraton-Sir Walter.

With the annual Cancer Crusade to be launched in about four weeks, Cancer Society leaders are in the process of organizing crusade campaigns.

Rev. W. P. Childers, President of the Franklin County Unit of the American Cancer Society, is now contacting people around the county seeking cooperation of crusade leaders. More volunteers are needed. Citizens are urged to lend their services as chairmen and helpers.

This annual concentration on the fight against cancer gives everyone an opportunity to take a personal part in the combat by offering their services as volunteer crusaders. The battle to conquer cancer may be won if interested workers continue seeking funds for cancer research, education, and service. Great strides have been taken but much more is yet to be done.

A Champion Cherry Pie

1. appearance
2. cherry flavor
3. flaky pastry

5. easy to prepare

YOU, TOO, CAN MAKE a blue ribbon cherry pie - one that will score all winning points with the family judges. Develop a light hand with the rolling pin and use a recipe that has the right balance of fruit and sugar to thickening, in this case Minute Tapioca, which gives clear and shiny juice. You'll also like a spicy variation - just omit the almond extract and add 1/4 teaspoon cinnamon or 1/2 teaspoon nutmeg.

CHAMPION CHERRY PIE

- | | |
|--|-----------------------------|
| 2 cans (16 oz. each) water-pack red sour pitted cherries | 1/8 teaspoon salt |
| 2 1/2 tablespoons quick-cooking tapioca | 6 drops red food coloring |
| 1 cup sugar | 1/4 teaspoon almond extract |
| | Pastry for 2-crust pie |
| | 1 tablespoon butter |

Drain cherries, reserving 1/2 cup of the liquid. Combine tapioca, sugar, salt, cherries, measured liquid, food coloring and almond extract. Mix thoroughly and let stand 15 minutes. Roll out half of pastry very thin. Line a 9-inch pie pan. Trim pastry at edge. Roll remaining pastry very thin. Cut several 2-inch slits or a design near center. Fill bottom crust with cherry mixture. Dot with butter.

Moisten edge of bottom crust. Place top crust over filling. Open slits to permit escape of steam. Trim top crust, letting it extend 1/2 inch over rim; then fold edge of top crust under bottom crust and flute. Bake at 425 degrees for about 50 minutes, or until syrup boils with heavy bubbles.

Thanks

We would like to take this opportunity to express our sincere thanks and appreciation to Drs. Patterson and Lloyd, and the nurses at Franklin Memorial Hospital for being so good, kind and helpful in time of need of our loved one. We also want to thank all our friends, neighbors, and relatives for every deed of kindness for food, flowers, and cards. You will be in our memory always. May God bless each and every one.

In Fashion

Early spring fashions feature attractive coat and dress ensembles. The long coat fits loosely over the dress and may be buttoned down the front to the hem or partially.

One attractive outfit is navy and made of linen like rayon and is piped in crisp white material.

Make-up for the coming season is softly romantic and feminine. The new shimmering shades of lipstick make your lips glisten with a soft pearly glow.

Eyes should be soft with lots of lashes to give a "glitten-glow" to accent the new pearlized makeup.
