

Fee Changes Announced By Register

Franklin Register of Deeds Alex T. Wood announced this week that effective July 1, fee charges for services in his office will be changed in accordance with other counties of the state under the Uniform Code.

Wood emphasized the fact that the changes are not being applied to Franklin County alone, but to the entire state. He said some Register of Deeds fees have not had a change in twenty years.

Fifteen items are covered under the law and charges are listed as follows: For registering or filing any instrument not otherwise covered, the fee will be \$2.00 for the first page and \$1 per page thereafter; Issuing marriage licenses, \$5; Recording plats, \$5, supplying certified copies of such, \$4.

Other items covered include: Each original or copy of a right-of-way plan,

\$5; Birth registration after four years, \$2.50; Amendments to birth or death certificates, \$1 and certified copies, \$1.

Comparing copies for certification will cost \$1 and uncertified copies, issued at the convenience of the Register will be charged at his discretion in keeping with reasonable relation to other charges. These fees are to be posted. Acknowledgement, oath of affirmation performances and any notarial act will cost fifty cents and recording federal liens will cost \$2. Internal Revenue recordings will also be billed at \$2.

Uniform Code fees, Torrens Registrations, Master forms and probate are also covered in the new fee law which states that the prescribed fees and no other charges will apply.

Franklinton Has Three Bowling Teams

(Frk. B.W.) Curt Hedrick of the Franklinton Police Department's Bowling Team came close to a perfect game in League play at Henderson Monday night. Hedrick bowled a 288, one pin less than the best score ever recorded on the Henderson lanes. The Hedrick team won in the final night of play in the league.

Franklinton had three teams in the King Pin League this year with the Rescue Squad finishing highest of the three with a tie for 7th place; the Police Department finished in 10th place and Franklinton Fabrics in 12th place. Of the 20 men on the Franklinton teams, there was only one experienced bowler and that was Johnnie James.

All Franklinton bowlers are looking forward to their own tournament to be held on May 31 and June 1. There will be cash prizes and trophies will be awarded to the winners of each event. Trophies for the tournament have been donated by Ramey's Gulf Service, Henderson's Pharmacy, Corner Drug and Franklinton Fabrics.

The Franklinton bowlers are interested in forming either a Franklin County League or Franklinton League next fall if there is enough interest. Any bowler in-

terested in joining such a league should contact any bowler in Franklinton or Tom Amato at the Henderson Lanes in Henderson.

The Franklinton Teams are as follows: Rescue Squad: Johnnie James, Capt.; Milton Ragan, Red Hoyle, Bobby Ray, Vallen Wright and Gordon Appleford.

Police Department: Leon Woodlief, Capt.; Leo Edwards, Curt Hedrick, J. R. Mendenhall, Bobby Mendenhall, Milton Mitchell and Bob White.

Franklinton Fabrics: Freddie Califa, Capt.; Ronnie Johnson, Pete Osboro, Vance Mendenhall, Herb Smith, Bill Sigmon and Charles Oakley.

Washington, D. C. - This is likely to be the year that makes or breaks the managers who were toasts of the baseball world six months ago, Mayo Smith of Detroit and Red Schoendienst of St. Louis.

That possibility exists because the Cardinals collapsed in the last three games of last year's World Series, and are

off to a puzzling start this year and because Mayo Smith is widely suspected of having missed a pennant in 1967 he should have won, as Eddie Stanky said, by ten games, and may miss another this year.

Schoendienst may straighten out his club and restore its winning ways and morale. Smith may demonstrate that he knows pitching and when to pull pitchers, but in Detroit's first nationally televised game he left Joe Sparna on the mound long after the bell tolled. This sort of thing cost Detroit the pennant in 1967.

Micky Mantle and a lot of other ballplayers like the looks of Baltimore's squad. New York has been tougher than some expected in the American. And it might be that Boston, New York, Baltimore and Detroit will fight it out in that division.

Oakland, Minnesota and maybe Chicago seem the major contenders in the west. In the National League Chicago looks strong, and Pittsburgh is a strong surprise.

Vance Dumps Granville

Vance County blistered three South Granville pitchers and righthander Wayne Ellington smothered the Vikings on five hits as the Cougars won their District Three 1-A semifinal playoff, 15-0, here Tuesday.

The Cougars will face Gaston in the district finals at a time and site to be determined.

Ellington used 12 strikeouts in lifting his record for the year to 8-0. The whiffs brought his 1969 fan record to a fantastic 117 in 67 innings.

South Granville managed no more than one hit in any one inning against him. In an earlier 6-1 decision by Vance County over the Vikings, Ellington struck out 14.

The Cougars jumped off to a 1-0 margin in the first inning and added four more over the next five frames.

Then they jumped on the third Viking pitcher for nine seventh-inning runs.

Jackie Burnette and Pete Newman walked to start the inning and Lawrence Floyd loaded the bases when he reached on a one-out error.

David Parham singled home two and Floyd beat the throw home on Danny Pearce's fielders choice. Bill Ellington walked to fill the bases again and Wayne Ellington brought home one when he was hit by a pitch.

Burnette, up for the second time, singled in a run and Newman walked for he second time, also plating a score.

Wayne Stainback, who popped up for the first out of the inning, lashed a three-run single and Floyd grounded out to end the inning.

Three of the first six Cougar tallies came on Wayne Franklin's single and double.

Lose Playoff

Oxford - Gaston exploded for eight runs in the fourth inning on its way to a 10-2 rout of Oxford Orphanage in the first round of the state 1-A baseball playoffs Tuesday afternoon.

Gaston will meet the winner of the South Granville-Vance County game in the second round of play in the single elimination tourney.

Larry Moody and Jerry Clayton led the Gaston 10-hit attack with two and three hits, respectively. Clayton drilled two doubles in the fourth inning while Charles Ruck scored the first and eighth run in the same frame.

Orphanage was able to get only two hits off Gaston hurler John Moore who, in going the distance, fanned eight Red Devil batters.

Oxford terminated its season with a fine 14-3 season mark.
