

Sidewalk Sale Draws Crowd

Scene above shows part of the crowd which attended the Louisburg Sidewalk Sale last year. The Trade Promotion Committee of the Franklin County Business Association and Credit Bureau is sponsoring the second annual event again Thursday. Mrs. Juanita Pleasants, Executive Secretary of the group, says participating merchants are promising outstanding buys during the one-day event. Staff photo by Clint Fuller.

Cost Of Living

Investment people are telling the story of the fellow who bumped his head and went into a twenty-year coma. Awaking refreshed and

clearheaded in 1990, the first thing he did was to phone his broker. With the help of a computer setup, it took the broker only a few minutes to report that his 100 shares of

AT&T were now worth \$8.5 million, his shares of General Motors were now worth \$5.5 million, and his holdings in Xerox had increased to an amazing \$15 million.

"Good Lord!" exclaimed the man. "I'm rich!"
At which point the telephone operator came on the line and said, "Your three minutes are up sir. Would you please deposit a million dollars?"

Long Cycle Trip

Cincinnati - Mr. and Mrs. Dick Kaelin took a 2300-mile motorcycle trip from Ocean-side, Calif., to Cincinnati. The 21-year-old riders said it was a grand way to see the countryside but the next time they would take a bus.

Thanks

I would like to take this opportunity to express my appreciation to Dr. Lloyd, Dr. Patterson and the nurses on second floor for being so nice to me while I was a patient in Franklin Memorial Hospital. I also want to thank my friends and neighbors for the visits, cards, gifts and prayers I received. May God bless each of you.
Mrs. Nettie H. Winstead.
