

Attend FHA Real Estate Program

Thomas B. Marshall, Jr. and Harold Pearman, of the local Farmers Home Administration office, recently attended a real estate meeting held in Williamston.

Mr. James T. Johnson, State Director of the Farmers Home Administration, and members of his Real Estate Loan Division met with the FHA County Supervisors from 16 counties of the State in Williamston, North Carolina, on August 19-20, 1969. The purpose of the meeting was to discuss ways and means of assisting more worthy rural families to obtain decent homes and to purchase and develop family farms.

Special instructions were given for carrying out the Agency's responsibilities in connection with interest credit home loans authorized by the Omnibus Housing Bill of 1968. The group also received advice on processing loans for rental housing to both profit and nonprofit applicants in rural areas.

Mr. Johnson pointed out that the average age of farmers in North Carolina is increasing and stressed the need for assisting more worthy young farmers to become established as farm owners.

A study was made of the real estate loans processed during the fiscal year ending June 30, 1969, which showed a greater number of real estate loans made than in any previous year of the Agency's history.

Mr. Johnson of Farmers Home Administration informed the group that the outlook for real estate loan funds for the current fiscal year is favorable in that the budget recommended by President Nixon provides substantial increases in lending authorizations over the previous fiscal year.

Welcomes Cong. Fountain

Mr. Neal A. Brown, G. H. Harding, Mr. J. E. Jones, and Congressman L. H. Fountain

Cong. L.H. Fountain Visits Youngsville

Youngsville - On a swing around the county Second District Congressman L. H. Fountain received a warm reception in Youngsville when he arrived at eleven a.m. Thursday. A number of leading citizens were on hand to talk with him and pose questions.

Accompanied by his Washington assistant Mr. Walter Pitman and Louisburg attorneys Charles Davis and Conrad Sturges, the group was met here by local precinct committeeman Neal A. Brown who walked around the business area of main street with them. Congressman Fountain went inside

places of business where he shook hands with both young people and adults, taking time to answer questions and discuss issues.

Cordial conversations with Mr. Pitman indicated interest in people of the district. Discussion included information about Congressional affairs and Capitol Hill; as well as Congressman Fountain's district tour. They expect to be back in Washington before Congress convenes after Labor Day. Predictions seem to be for a lengthy session of Congress.

After a little more than an hour of visiting, the four visitors and Mr. Brown had lunch at Holden's Barbeque restaurant near Youngsville.

GOLDEN TOUCH OF HOSPITALITY

BY JANE ASHLEY

Banana Cream Easy as Pie

An all-time American favorite, banana cream pie is really as easy as pie to prepare. A garnish of banana slices and whipped topping make this one as pretty as delicious. Corn starch in the filling gives it the creamy smooth goodness.

- Banana Cream Pie**
- 1 (9-inch) baked pie shell
 - 2 1/2 cups milk
 - 3/4 cup sugar
 - 3 egg yolks, slightly beaten
 - 1/4 cup corn starch
 - 1 teaspoon vanilla
 - 2 bananas

Mix sugar, corn starch and salt in double boiler top. Gradually, stir in milk. Cook over boiling water, stirring constantly, until thickened. Cover; cook 10 minutes longer, stirring occasionally. Do not remove from boiling water. Stir a little hot mixture into egg yolks, then stir all into remaining hot mixture over boiling water. Cook 2 minutes, stirring constantly. Remove small amount of filling into baked shell. Slice bananas over layer. Cover with remaining filling. Garnish with whipped topping and banana slices.
