Introducing the 1970 Buicks.

Three of 36 great new Buicks. Three of the finest Buicks ever. Built with all the care and craftsmanship possible. Built with product integrity. Right down to the fine details. As a few of these fine details will prove.

Every 1970 Buick has a new cooling system that should never ever overheat. Every 1970 Buick equipped with a V8 engine has an exclusive carburetor time modulated choke control. It will make for easy starts in any weather. Every 1970 Buick is equipped with fiberglass belted tires as standard equipment. Every 1970 LeSabre, Wildcat, Estate Wagon, Electra 225 and Riviera has an exclusive suspension system called AccuDrive. Never has handling been easier. All the 1970 Buicks have the look that makes people look twice.

No wonder Buick owners will keep on buying Buicks. Buicks are automobiles you can believe in.

Something to believe in.

1970 Buick LeSabre Custom 2-door Hardtop. With a 124-inch wheelbase. Now available with a 455-cubic-inch V8.

1970 Buick Estate Wagon. Totally new. A full size wagon with a 124-inch wheelbase. The longest you can buy.

1970 Buick Riviera. An all new 655-cubic-inch V8 combined with a beautifully balanced 3-speed automatic transmission are a small part of what's standard.

Wouldn't you really rather have a Buick?
