Louisburg College

"Broadway Tonight" Opens Concert Series

Broadway comes to Louisburg College on September 30 opening the Louisburg College Concert Series for 1969-70. An extravaganza spanning the American musical theatre from the Ziegfeld Follies straight up to the "now" music of Broadway's biggest smash hit, "Hair," the show is entitled "Broadway Tonight!" This very special evening of entertainment will be presented at the College Auditorium. Curtain time will be at 8 P.M. Tickets are all sold.

The company has played across the country and back again for the past two years, detouring to the Far East and Canada to equal acclaim. Last winter the U.S.O. sent this talented crew to the Philippines, Hong King, and all major bases in Vietnam. The troupe drew enthusiastic ovations everywhere. Currently, a second edition is touring army bases throughout the Caribbean and South America.

"Broadway Tonight!" abounds in color and quality.

Eight attractive, highly skilled singers and musicians go through their paces at a dizzying rate, highlighting the many memorable moments of America's greatest musical heritage: the Broadway musical comedy. Along the way we are treated to numbers from such great shows as "Oklahoma," "Gypsy," "Show Boat," "Hair," "Cabaret," "Hello Dolly," and many, many more. A special attraction is a highly dramatic sequence re-creating the beauty and tense magic of "West Side Story."

"Broadway Tonight!" not content just to entertain the ear, has provided the eye with sumptuous costumes, abounding in feather, spangle, and spectacle. Quite rare for a touring company. Six people

(four women and two men) wearing over 60 costumes is quite a sight in two hours!
