600 County 4-H'ers Join In National Celebration

Six hundred 4-H'ers of Franklin County representing 32 4-H Clubs are joining over 3.5 million 4-H'ers throughout the nation in celebrating National 4-H Club Week. Of these, about 2½ million are enrolled in 4-H, including 35% from farm homes, 33% from rural non-farm homes and 32% from towns, cities and suburbs.

The theme for this year is "Opportunity For All." Club members throughout Franklin County are now in the midst of celebrating this week. As we look over the past years' activities, we can see very clearly why 4-H'ers of this county should celebrate the week. Over 250 4-H'ers participated this year in the 4-H TV Science Club. They learned via special TV programs about the Science of Fire, Science of Animals, Science of Astronomy, Science of Plants, Science of Archaeology, Science of Behavior, Science of Meteorology and the Science of Chemistry. As a result of these programs, Earnest Bachelor and other club members were able to give class room demonstrations based on what they learned from these programs. In almost every conceivable area of living here in Franklin

County, 4-H'ers are paying off in great dividends in terms of income and experiences provided 4-H'ers.

The county activity day program created a lot of interest among our 4-H'ers this year. Twenty-four 4-H'ers took an active part in the affairs giving demonstrations in twelve different areas and three special interest areas, dress revue, talent and tractor operators contest. The special interest areas and demonstrations netted the county four district winners. Myra Harris and Dorothy Wood were declared alternate winners in their respective demonstrations.

On the basis of achievement in forestry, Booker T. Driver was chosen to represent Franklin County in the 4-H Forestry Camp this year. 4-H Electric was another interest area among Franklin County's 4-H'ers. Arthur Collie, a senior member, represented the county in Electric Congress. Selection was based on achievements in farm and home electric. James T. Boone, also a senior club member was selected to attend electric congress based on his participation in the county electric program by getting new members to join. Boone could not attend the electric congress because of summer employment.

4-H'er, Star Cardwell, in addition to participating in the county 4-H talent program, did a magnificent job furnishing background music on channel 28 sponsored by Franklin County Extension Service.

Scout News

Youngsville - Cadette Girl Scout Leaders Mrs. Allen Stallings and Mrs. Vernon Grissom had a Kick Off Cook-Out Saturday afternoon for members of the local troop.

Meeting from four thirty to six thirty, the Cadettes enjoyed an outdoor recreational hour before eating out. The meal included hot dogs and hamburgers with all the trimmings.

Plans were discussed for the new scout year which begins formally with the first regular meeting, to be held on Wednesday night of this week at the Scout Hut. Members will work out a schedule to include service projects, fund raising events, Handcrafts, and other work on scouting goals.

New girls in the Cadette Troop who came up from Junior Scouts are Jenny Carol Holden, Vickie Keith, Deborah Edwards and Deborah Catlett. Old members include Clara Ann Stallings, Libbie Brown, Deborah Grissom, Connie Woodlie and Brenda Cooley. Planning to join the troop are Ann Hill, Vickie Murphy and Diane Haynes.

Thanks

I would like to express my sincere thanks to friends, neighbors, and relatives for the flowers, food, visits, cards and all other acts of kindness since the loss of my husband, R. O. Perkinson. May God bless each of you.

A man went into a barber shop with his small son. While they waited for a chair the boy pestered his father with questions. Finally one of the barbers looked over and said, "Say, that boy of yours certainly talks a lot, doesn't he?"

"Yeah," grunted the father as he reached for a magazine. "And he looks a lot like her, too."

Policeman: Don't tell me that. He's lying right here at the street intersection.

Motorist: It's not my fault. He was crossing in the middle of the block.
