At Garden Clubs

Japanese Floral Art Shown

Mrs. Charles T. Wilson of Durham, North Carolina, former Treasurer of the North Carolina Garden Clubs, Past District VIII Director and an Accredited Flower Show Judge, was the guest speaker for the October 16 meeting of The Louisburg Garden Club, held at the Baptist Church.

Mrs. Wilson's subject for the afternoon was "Japanese Floral Arrangements." She told members and guests that the origin of the art of arranging flowers has always been attributed to Buddhism. Although it came to Japan around the middle of the sixth century from China, the first flower arrangements were made as an offering to Buddha and were done by the priests.

Ikenobo was the first school of flower arrangement in Japan and has an authentic age of thirteen hundred years. It is the parent of all the hundreds of schools that have come after, each differing slightly in details, but retaining the fundamental principle: beauty of line being more important than beauty of material.

Mrs. Wilson has had courses in the Ichiyo School for the past four years. She designed four arrangements using the four natural styles of the school. These were expressed triangularly in the upright style, Slanting, Flat and Hanging Style. After the program, Mrs. John Mills, President of The Louisburg Garden Club, announced that the District X meeting will be held October 31 at the Velvet Cloak Inn in Raleigh.

An invitation to the December 4 meeting, at the Methodist Church, was extended to the guest by Mrs. Lois Wheless. Mr. G. Reece Qillard will be the speaker for the afternoon and his program will be "New Ideas for Outdoor Lighting." The public is invited to share this program with the club members.

The Gay Gardeners Junior Garden Club held their monthly meeting with the senior club. Guides for planting bulbs were given out by the members and door prizes of different specimen of bulbs were given the lucky winners. The juniors are stressing Horticulture this month in hopes that everyone will plant bulbs now, so we can have an even lovelier town in the spring.

With no further business, Mrs. Mills adjourned the meeting until November 6.

President Of District XIV Speaks To Louisburg Club

The Louisburg Woman's Club met Wednesday night in the home of Mrs. Wallace Tippet for dinner, business and pleasure.

Mrs. Roy Barham, President of District XIV of N. C. Federation of Woman's Clubs, was guest speaker for the evening. She spoke on the history of the National Federation of Woman's Clubs and its work. There are 11,000,000 women from 60 different countries and all 50 states in USA represented in various Woman's Club. These women, since 1898, have been working together to improve affairs at home and all over the world in such ways as organizing prison reform, contributing to public libraries and school, participating in the ship U.S.S. Hope and the Self-Help program for under-privileged foreign countries. Anywhere there is need, the Federation women, such as those here in Louisburg, are constantly striving to improve all matters coming to their attention. Mrs. Barham encouraged the local clubwomen to plan programs and projects suited to community needs.

Following the speaker, the business session was held. Mrs. Louise Jeffreys and Mrs. Shirley Carter reported plans for the fall dance on Nov. 8 were progressing well. Committees are busy planning to make this the best ever. The public is cordially invited to attend. Jim Gregor's Combo of Creedmoor will provide the music. Tickets may be purchased from any member of the club. All proceeds are used by the clubmembers in worthwhile community service.

Mrs. Janie Tippet announced the cushion sale is going well. Be sure to buy one and add to your enjoyment of the football games and remember proceeds go to help the Louisburg High School Athletic Dept. as well as the Woman's Club.

Mrs. Joyce Holton was appointed chairman of the committee to design and make a float for entry in the Louisburg Christmas parade. Mrs. Margaret Hill announced that signs have been ordered to be placed on the outskirts of town. Mrs. Barbara Alston announced that the club has entered seven categories of awards for the District IV fall meeting. Many of the local clubwomen plan to attend this meeting on Friday, October 24, in Franklinton. Mrs. Pat Myers spoke to the group on the organization to a local Brownie Scout Troup. The local clubwomen voted to sponsor the scouts and donated \$25.00 to help the twenty-five eager girls to get started. All business discussed the meeting was adjourned.

The group was also honored to have Mrs. Rose Lee Harvey, Chairman of Fine Arts, as guest for the evening. The local club women are looking forward to working with Mrs. Harvey planning the Spring Fine Arts Festival to be held here in March.
