The Franklin Area Conference Champion Louisburg Bulldogs placed nine players on the Durham Morning Herald's All Conference team this weekend and Coach Tommy Twitty edged Franklinton mentor Jimmy O'Neal for Coach of the Year honors.

Franklinton's Cliff Williams was named Lineman of the Year in the area as the Rams placed seven on the honor team. Both the Rams and the Bulldogs had six honorable mentions on the list.

Louisburg had running back Randy Seidel and quarterback Larry Fuller among the top backs on the list and Robby McDonald, Jack Versteeg, tackle Steve Roberson

and Johnny Pernell were added to the offensive squad. End Steve Perdue, tackle John Kornegay and linebacker Ed Pergerson, who gave Williams a run for the Lineman of the Year spot, placed on the defensive squad.

Bulldog honorable mentions were: Mike Leonard, Charlie Hobgood, Neill McDonald, Phillip Redmond and Dan Hayes. Kornegay was also listed as an HM but was placed on the All conference squad as well.

Franklinton listed Bobby Kearney and kicker Warren Collins on the offensive squad. Williams, Bobby Ayscue, Stuart Eakes, Donnie Beckham and Jerry Simmons

Bunn Downs Rock Ridge

Rock Ridge -- Rock Ridge High turned a close basketball game into a rout with a disastrous series of fourth quarter errors to spark themselves to a 64-48 non-conference pasting at the hands of undefeated Bunn Friday night.

The non-rally, which also sent the Rams to their second defeat in as many starts, ignited itself just after the losers had tied the game with 7:10 left to play and coupled with the lady Rams' 23-21 loss to Bunn in the girls preliminary, gave the visitors a sweep of the night's action.

The Ram loss overshadowed a fine 17-point performance by Rock Ridge forward Charles Finch, who equalled Bunn center Wayne Horton's point total and neutralized the winner's big gun with a fine game off the offensive and defensive boards.

Center Donnie Boyette added 11 points and guard Wiley Boyette hit 10 for the Rams, who trailed 23-22 at the half and fell back to a 41-38 deficit at the end of three quarters.

Forward Glenn Cone followed Horton for Bunn with 14, while forward Jerry Strickland had 10.

The Bunn and Rock Ridge girls swapped leads for the entire second half after the Ramettes rallied from a 7-1 first quarter deficit to tie the game early in the third quarter.

Bunn broke the last tie of the game with less than two minutes to play with a three-pointer and then froze the ball for the last 17 seconds after the Ramettes threw away an inbound pass.

Jean Hagwood canned 11 points to lead all scorers for Bunn, followed by teammate Marsha Winstead with nine. Connie Joe Barnes canned seven to lead Rock Ridge.

Gold Sand Boys Win

Lucama -- Gold Sand broke a 9-9 first quarter tie and slowly pulled away behind Sweeney Wright's 26 points to dump Lucama 60-39 in a non-conference basketball game Friday night.

Wright, a center, fired in ten field goals and hit on six of 13 free throw attempts as the potent visitors sent the Red Devils to their third straight loss in three games.

The Devillets saved Lucama from a Gold Sand sweep by outlasting a Gold Sand freeze for an 8-5 overtime win in the girls' preliminary.

Center Doug Raper fired in 12 points to pace the Red Devils, who kept the game reasonably close until being outscored 14-6 in the third quarter. Guard Richard Bowers and forward Bryant Evans canned 11 points each to back up Wright for Gold Sand.

Wanda Collins and Gail Lovin dropped in a field goal

apiece in the fourth quarter as Gold Sand rallied to tie the game 60-6 at the end of regulation play. But Lucama's Cathy Smith and Pam Johnson hit a free throw apiece for the only overtime points to earn the win, the Devillette's second in three starts.

Lucama travels to Bunn next Tuesday for a non-conference encounter.

The November 22nd Game this Saturday night, which features the Cougars and the Los Angeles Stars led by former UNC ace, Larry Miller, will be preceded by two Franklin Area Conference high school teams -- Youngsville versus Cardinal Gibbons.

Youngsville, coached by Larry Lindsey, was Franklin County Champ in 1969. Cardinal Gibbons High, coached by Bill Lawson, was the champ of the 1969 Tar River Conference. The Tar River and Franklin County Conferences have been combined this year. The two teams are pre-season favorites. Game time is 6:30 for Youngsville - Cardinal Gibbons with the Cougar - Los Angeles game at 8:10 p.m.

Carroll King, Athletic Director of the Raleigh City Schools, worked out arrangements with the Cougars to have each Raleigh senior high play a home game in conference play.

College Cage Pre-Season Poop

The 1969-70 basketball season promises to be one of the most exciting in the history of the Cavalier-Tarheel Conference. Ferrum and Louisburg are picked by most of the coaches as the teams to beat. Both teams have several blue chippers back from last year's club, which will make a strong foundation to build upon. In the opinions of the coaches either Southwood or Mount Olive could be strong dark horse contenders by the end of the season.

LOUISBURG: Louisburg, last year's conference champion and runnerup in the Region 10 Tournament, has several outstanding boys returning. Leading the group is pint size Larry Paschall, a 5 feet 9 inch guard, who brings a 17.9 scoring average from his freshman year. He was also named to the first team All-Conference and All-Tournament teams, plus being voted the tournament's Most Valuable Player. Another high flying Hurricane returnee is 6 feet 4 inch forward Terry Davis, who last year averaged 14.9 points while grabbing 15 rebounds per game. Terry also made the first team, All-Conference, and All-Tournament teams. George Bowden is another starter back from last year. George is a sturdy 6 feet 1 inch guard who had an 8.5 scoring average.

Coach Drake has several freshmen who are going to make their presence felt. Leading the list is Honorable-Mention High School All-American Ricky Richardson. Rick is a very sturdy 6 feet 5 inch forward from Chesapeake, Virginia. He should play a big role in the 'Canes' season. Guards Wes Webb and Billy Spence are probably going to see a great deal of action in the relief roles for Paschall and Bowden.

Coach Drake says, "We hope to be as strong as last year. Although we are lacking the bench strength of last year by the departure of our three big men all over 6 feet 5, the return of players with the caliber of Paschall, Davis and Bowden will give us a good nucleus for our first

five." When asked about the teams to beat, Drake replied, "Ferrum returns several strong players from last year and should be as strong, maybe stronger." He rates Southwood as a possible dark horse candidate.

Gone from last year's club are: Bob Walker, University of North Carolina at Wilmington, Dick Driver, Emory and Henry, John Lewis, North Carolina State to play baseball, and Mike Lynch, North Carolina Wesleyan.

FERRUM: Ferrum Junior College will open the 1969-70 basketball season with an array of inexperienced freshmen and only a few returnees from last season's 21-8 team. Notably among the eight player losses from last year's squad are All Region X performer L. J. Kilby and his running mate at guard, David Hobbs. Both boys are now attending Virginia Commonwealth University on full grant-in-aids. Also missing from last year's starting five is Tom Chaney, Ferrum's leading scorer and second leading rebounder. Chaney is now attending West Virginia Tech at Montgomery, West Virginia.

The Panthers must build its team around lettermen Sam Oglesby, 6'3" Gary Orsini, 6'3", Jack Puckett, and 6'1" Brad Obermiller. Oglesby and Orsini should provide board strength while Puckett and Obermiller hopefully will supply much of the offensive punch.

Best of the newcomers are Larry Robison, Mike Coleman, and sophomore transfer Bruce McLennan. Robison, a 6'4", 205 pound forward, has size and strength at a position where those qualities are scarce. Coleman, a second team All-State guard from Liberty High School in Bedford where he averaged 22 points per game, his senior year, has a good chance to become a starter if his defense and ball handling improve. McLennan, a transfer from the William and Mary Indians, should see plenty of action as a Panther. Bruce has speed, quickness, and ex-

perience. Ferrum will be playing a better over-all schedule than last year's. A definite lack of height, however, may prevent them (for the first time in six seasons) from getting 20 or more victories in a single season. What the Panthers lack in size and experience, they hope to make up for in quickness and aggressive team play.

Louisburg should be the team to beat based upon their returning players which helped them to the Conference title last year. There should be two or three teams with an outside chance of taking the Conference crown. It should be an interesting season.

MOUNT OLIVE: Coach Tom Edwards is looking toward a big year for his Trojans of Mount Olive. Although the Trojans have only a couple from last year's team returning. Coach Edwards battled well in the recruiting wars to bring in a fine crop of freshmen. This season is going to see a bunch of big Trojans.

Tom Gwinn, a sophomore co-captain, is the only returning starter from last year. Last year Tom averaged 11 points and 8 rebounds per game. This season Coach Edwards is thinking of shifting his 6 feet 4 inch, 190 pounder to guard -- some guard. High scoring Larry Williams, a freshman, could be the chief gunner for the Trojans. As a high school senior, he poured them in at a 26.0 game average. Freshman center Larry Noland at 6 feet 6 inches can help the point production and will be a real battler on the boards.

The biggest Trojan is 6 feet 7 inch Walt Frye. A good shooter, Walt may play a forward slot. Together he and Noland will make Mount Olive hard to handle off the boards. C. G. Arrington, at 6 feet 3 inches, is another boy with the strength to play forward, and the quickness to run as a guard. C. G. will see a lot of action. Coach Edwards also has high hopes for Jay Tighe, a 6 foot guard, and Ricky Teague, a 6 foot 5 inch center. Co-captain Paul Huchner, a 6 foot 4 inch sophomore, is also counted

on for help. Coach Edwards thinks that Louisburg and Ferrum will be the teams to beat.

SOUTHWOOD: At Salem, Coach Jim Tompkins is adding the finishing touches to his 1969-70 edition of the Southwood Rams.

Leading the way is E. J. Wilder, a sophomore co-captain and a second team All-Conference selection last year. He is expected to be the team leader. He averaged Bruce McLennan. Robison, a 6'4", 205 pound forward, has size and strength at a

David Dutton, a Whiteville, freshman, is a strong and determined player. At 6 feet 3 inches Dave could be the team's leading rebounder. Brooks Bradshaw, a transfer from Carolina Military, will add quickness to the Rams' guard position. He is a good shooter from 25 feet. Randy Justice is another high flying 6-footer. He is having trouble making the transition to forward, but he is a real battler all the time.

Bringing the fleet feet to the guard slot is Teddy Tucker, a second team All-East selection as a high school senior. Jesse Preddy transferred from Hargrave Military. Although just a 6 footer, he is a real scrapper, and plays taller under the boards.

Coach Tompkins believes that Louisburg and Ferrum will be fighting for the honors. He rates Chowan as a team that could give trouble. Helped them to the Conference title last year. There should be two or three teams with an good defense. "Last year we were not sound defensively," he said, "nor did we have any bench strength. This year the bench will be stronger, but rebounding is still a problem." In closing Tompkins said, "We know we have a better team than last year's but we play a tougher schedule. We just hope to improve on last year's 9-18 record."

No information is available at this time on either Chowan or the College of the Albemarle.

Canes Win First Games

The 1969-70 Louisburg College Hurricanes beat Kittrell 89-80 in the season's opener Thursday night. Led by Larry Paschall, Terry Davis, and Ricky Richardson, the 'Canes played exceptionally good for the opening game and it took a very good effort to hold off the determined Bulldogs from Kittrell.

A ten point 'Cane first half lead was reduced to a 42-38 half time lead. In the second half the 'Canes pushed the lead to eleven at 55-44 only to have the Bulldogs fight back to within one point at 66-65. The score was 72-71 -- Louisburg, with 6:37 to play. At this point Paschall, Davis, and Richardson led a Louisburg surge that enabled the 'Canes to win going away.

Richardson scored the first five points of the game and the 'Canes never trailed as they worked through the Bulldogs' defense for the big baskets each time Kittrell came close to taking the lead. Wendell Sport led Kittrell's scoring with 22 points. It was his marksmanship from long range that kept the Bulldogs in contention until the final minutes. Henry Trueblood and Ray Brown had 14 and 12 points respectively, most of them covering from outside.

The rebounding was dominated by Kittrell in the first half but Louisburg dominated the second half on the strength of the work of Davis, Richardson, and Billy Spence, a reserve guard who took over when George Bowden picked up his fourth foul early in the second half. The 'Canes grabbed 42 rebounds for the game and Kittrell had 35.

Louisburg: Davis 23, Wilson 10, Richardson 19, Bowden 4, Paschall 26, Moran 2, Spence 1, English 2, Webb 2. Kittrell: Moore 8, Vincent 12, Sport 22, Flintall 6,

Brown 12, Brandon 5, Trueblood 14, Diaz 1.

On Saturday night the Hurricanes built a 42-28 half-time lead and then poured in 65 points in the second half to sink Wingate's Bulldogs 107-85.

At the 10:50 mark in the first half the score was Louisburg 17, Wingate 16 when the 'Canes scored 10 points to one for Wingate in three minutes to lead 27-17. This spurt was spearheaded by Larry Paschall and Terry Davis, and then Paschall and George Bowden poured in the points that sent the 'Canes lead to 42-24 before Wingate scored the last 4 points of the half to cut the deficit to 14.

The 'Canes came out strong in the second half to pour in 23 points in the first 8 minutes to run their lead to 65-44. Davis had four field goals and Mark Wilson three in the early second half bombardment that left little doubt about the final outcome. Wingate cut the lead to eleven, 84-73 at the 3:39 mark against Louisburg reserves but the 'Canes scored repeatedly on layups against a desperate Bulldog press in the final three minutes to push the final score above the century mark.

The 'Canes' scoring was well balanced for the second consecutive game as Davis led with 19; Paschall had 17; Ricky Richardson 15; Bowden 13, and Billy Spence 10. Jerry Thomas, a sharp shooting guard for the Bulldogs, took high scoring honors for the game with a total of 36 points on 13 field goals and 10 foul shots.

The 'Canes play their first conference contest Wednesday night when they travel to Elizabeth City to play the Dolphins of the College of the Albemarle.

Louisburg: Davis 19, Wil-

son 6, Richardson 15, Bowden 13, Paschall 17, Frazier 5, Moran 8, English 2, Spence 10, Webb 2, Rawlings 5, Grant 2, Snead 3, Wingate: Griffin 16, Nixon 8, Pottle 6, Thaxton 6, Becknell 8, Thomas 36, Greene 2, Lowder 3.
