

How To Simplify Christmas Shopping

One way to simplify Christmas shopping is to buy items in different styles, sizes, and colors—appropriate for everyone on your shopping list. Sleepwear, for example, is a gift that will please any member of the family. Give mother and daughter—or big and little sister—a matched set of pajamas or

sleep culottes in soft and comfortable cotton. A bright idea for teen-agers or younger girls is a pajama set plus. Along with colorful p.j.'s, the set has a matching sleeping bag and pillow packed in a carry-all tote that makes it ideal for slumber parties. And for the very young, there's even a doll

stressed in identical culottes. A style practical for young boys and girls from three to eight are cotton knit pajamas that eliminate the need for bedroom slippers. Feet with vinyl soles and toe caps are knitted into the pajamas. The styles come in a cheerful array of bright colors and appealing appliques.

Also new in children's sleepwear are cotton flannelette pajamas and gowns with a flame-retardant finish. The built-in safety measure is a non-toxic finish that's said to be effective for up to 50 washings. Ski-style pajamas in cotton knit are favorites for teen-age boys and their dads.

For any man or boy, classic button-coat models in smooth cotton broadcloths or warm flannelettes are safe buys if you're in doubt about style preferences. And for hardy souls who go for knee-length nightshirts, you'll find bright cotton knits decked out in bold blazer stripes that are as classy as

any cat's pajamas.

SLEEPWEAR ENSEMBLES—Appropriate gifts for mother and daughter or big and little sister are these cozy cotton sleep culottes. Added gift possibilities for young girls are the matching doll and a carry-all tote packed with sleeping bag and pillow in the same flower-printed cotton. By Slumberbots.
