Wrong One

A housewife was seated at breakfast when she heard the back door slam. Thinking it was her son returning from play, she called out, "I'm in here, darling, I've been waiting for you."

There was silence for a long moment, then an embarrassed shuffling of feet and finally a strong masculine voice which said: "I think you ought to know Madam, that I ain't your regular milkman!"

Argument Stopper

Two opposing political candidates argued on a busy street, while a crowd of spectators listened.

"There are hundreds of ways of making money," one of the campaigners declared, "but only one honest one." "And what's that?" jeered the other. "Ah, ha!" rejoined the first. "I thought you wouldn't know!"

Man, as a general rule, thinks well of himself.
