## Dyspepsia

Makes the lives of many people miserable, and often leads to self-destruction. Distress after eating, sour stomach, sick headache, heartburn, loss of appetite, a faint, "all gone"

feeling, bad taste, coated tongue, and frregu-larity of the bowels, are bistress some of the more common After symptoms. Dyspepsia does Eating not get well of itself. It requires careful, persistent attention, and a remedy like Hood's Sarsa-parilla, which acts gently, yet surely and parilla, which acts gently, yet surely and efficiently. It tones the stomach and other organs, regulates the digestion, creates a good appetite, and by thus overcoming the local symptoms removes the sympa-Headache thetic effects of the disease, banishes the headache, and refreshes the tired mind.

"Libray hown troubled with divergence." I

"I have been troubled with dyspensia. I had but little appetite, and what I did can

Heartburn distressed me, or did me
little good. In an hour
after eating I would expe-

rience a faintness, or tired, all-gone feeling as though I had not eaten anything. My trouble. I think, was aggravated by my business more or less shut up in a Sour room with fresh paint. Last spring I took Hood's Sarsa-rilla—took three bottles. It did me an immedse amount of good. It gave me an appette, and my food relished and satisfied the craving I had previously experienced."
