## WORK FOR HUNDREDS.

Bethel A. M. E. Church Free Employment Bureau, Chi-cago, III.

In different sections of the South there are tens of thousand of our people who are anxious to move North to escape dis-heartening conditions. In some sections we are living almost in slavery. Bethel Labor Exchange is arranging to place hundreds of honest, industrious men and women of our race in good paying positions such as workers in steel mills, cement works, railroad shops, on farms, on wharves, and in domestic service. We do not want any but honest, healthy men and women. But no one must come until he has written to us and received a reply and been given full instructions so he may go to work at once. We will not receive any persons who have not first written, and who do not bring with them a Work Card, signed by Bethel Labor Exchange. Al-ways enclose a 2c stamp for re-

Vacation ended and I am bac in Biddle. While I knew that is had returned to travel another mile in the making of a village youth into something our slave parents prayed for while in Pharaoh's brickyard, I found it quite difficult to get by bearing. For a week I was in a labyrinth of doubt up to the hilt of my spiritual and mental mechanism I felt that metempsychosis or some kind of transmigration of my very soul was making ev-dent this faith of the ancient Egyptians. The change in the student body was so radical that everything seemed different Dr. Mattoon was dead and his family had left; Dr. Carrol Cut ler and his family were occupy. and envied habits and thought. They were men in years, body, and mind. They were looked upon as of the teaching force and not of the student body. Nobody moved without Mr. R. W. Williamson's signal. We was the class; many of the old stud ents had given up the struggle for various reasons; some of the familiar faces had graduated and gone to return no more as students. This is the case; mo doubt, in the life of every stud-ent on his return to college in the quiet autumnal days when vegetation is draped in colors the quiet autumnal days when his theological course in Frince-vegetation is draped in colors ton Theological Seminary. ## WOMAN'S MISSIONARY DEPARTMENT Conducted By Mrs. H. L. McCrorey

Editorial Secretary, Catawba Synodical Missionary Society.

# A WORD TO CATAWBA PRESBYTERIAL.

At the last meeting of the Ca tawba Missionary Society action was taken to send our Presby terial President to the next General Assembly as an express ion of the Presbyterial's appreciation of her splendid service. To this end it was unanimously voted that each local society send two dollars (\$2.00) to the Presbyterial Treasurer.

Several societies have already met this obligation. The com mittee appointed to look after this matter urgently requests the societies that have not sent the \$2.00 to the treasurer to do so at once if possible. Mrs. Esther White,

Chm. of Committee. Mrs. H. L. McCrorey, --- Secretary of Committee:

An article from our Synodical President, Mrs. W. J. Rankin, was to have appeared this week but it has in some way miscarried.

Our missionary societies will be looking forward with pleasure to read next week some word from their beloved leader, Mrs. Rankin.

Only a short time remains for the four Presbyterian socieites of Catawba Synodical to accomplish the work which will add another page to the fine record of the missionary women of Catawba. It is the ambition of each of these Presbyterials to make this the banner year. Let the few remaining weeks be full of prayer and work.

They are noble workers in the Woman's Missionary society, the Chris-tian Edeavor society and the Brotherhood. The women and the men and the young people

cheerfully follow their leadership and all gladly welcome them and have learned to expect them. In fact, many express disappointment when they are not with their father.

We feel that every department of our church work is succeeding nicely. I am only sorry to say that a number of our young people are moving to Pennsylvania.

Yours faithfully, Edmond Hipp,

Mrs. Janie Gladden departed this life August 20, 1922. She was an active member in Shiloh Presbyterian Church, Waxhaw, and a missionary worker for more than twenty years. God has plucked a beautiful

flower from his garden. The memory of her quiet and beautiful life is sweet and will ever be cherished by us. We shall emu-ate her life and strive to meet. her in heaven.

## BROOKLYN CHURCH NOTES.

(By Mrs. C. B. Maxwell.)

Last Wednesday night, Janu-ary 31, part of Brooklyn church congregation listened to an excellent sermon delivered by our evangelist, Dr. I. H. Russell. Histext was, "And Simon answering unt toiled all the night and have taken nothing. Nevertheless, at thy word I will let down the net," St. Luke 5:5. Dr. Russell was passing through from Irmo, S. C., where he had attended the Workers' Conference and was kind enough to stop over and preach for one of the clubs. This sermon will long be remem-bered by all of his hearers. After the sermon a collection of \$4.75 was taken.

"The singers were applauded the echo at the conclusion of very song. As a reader, Myers roved that he is one of the best. The readings were, like the songs, simple Negro dialect sketches and they pleased the audience much more than the average musical comedy.

Owing to lack of space, several nteresting articles must be caried over till next week.

The church has been nicely remodeled and made twelve feet longer. With this new addition we are able on special occasions to seat the people. Most of our membership are faithful in at-

tending church services each 4th Sunday when our minister is present, and keep up well with the salary and running expenses of the church.

The expenses of the church have been quite heavy and a number of our members thought the church couldn't be lengthen-

ed and remodeled in a time like this, but I told them to follow

me and they took courage and we have gone over the top. We listened to a great sermon last Sabbath by our minister, last Sabharn by Rev. T. A. Thompson, based on Rev. 7:9, subject: "The Grand-eur and Glory of the Triumphant Church." The pastor was in-

J. C. SMITH UNIVERSITY CAMPUS NOTES.

## (By A. H. Prince, '24.)

Dr. J. O. Nichols, representing the American Social Hygiene Association of New York City, made three splendid addresses to us last week on the issue of sex relations. Dr. Nichols was anxious that we should get a higher conception of the future welfare of those that we shall eventually come in contact with as our life companions. Such addresses as these are considered assets to the University.

The Fiske Jubilee Singers, who sang at the City Auditorium last Monday evening and at the Chamber of Commerce (white) last Tuesday evening, were en-tertained at the home of Dr. and Mrs. McCrorey.

Mr. Joseph Jones, a student of Brainerd Institute, Chester, S C., was on our campus last Monday. Mr. Jones is a brother of Warren C. Jones, of the Junior,

Mr. R. L. Allen, of the Senior class, who is indisposed, went to his home in Danville, Va., Sun-day. Mr. Allen is held in high regard by the faculty and stud-ents an dthere is general regret that he was obliged to leave school at this time.

Sunday morning Dr. F. L. Brodie spoke to us from Psalm 10':2, "Bless the Lord O my soul, and forget not his bene-fits."

Mrs. A. T. James was a very MIS. A. 1. James was a very pleasant visitor at our Sunday school on last Sabbath. The Adult Bible class was very glad to have her back, and hope she can come every Sabbath.

Mr. Chas. Rhyne, our super-intendent, is still sick. We hope for him an early recovery.

The Teacher-Training class met at the home of Dr. F. L. Brodie, South Caldwell street, last Friday night. All present seemed to have enjoyed it.

Mrs. Maria McCormick, South Church street, and M Emma Cunningham, of Sixth street, are seriously ill this writing. Both are faithful members of this church.
