### Excursion to Smithville to-morrow.

Say, teller, does your mother know you're out?

WE would recommend A. W. Williamson to the shrimp club. He certainly does have the nicest insects in the market.

THERE was received at the City Treasurer's office during the past week for real and personal tax, \$1,000.97, special license, \$168.76, dray and d. g. \$17.00.

AN amusing incident occurred at the Register's office yesterday. A young colored man came in great haste on the 25th of July, and wished Mr. Harris, deputy Register, to make out for him a marriage license. It was done and he departed for his township, one of the most remote in the county. Yesterday the young man came with doleful countenance to the Register's office and made his complaint, which was as follows: Sarah Jane Gibbins, the fair damsel to whom he was to have been united had changed her mind and taken some other Philander. A glance at the books proved this to be the case, and Sarah Jane had undoubtedly been hitched. The joke of the matter was, that the disappointed one wanted his money back. He was assured that the "paper" was good for another similar evolution, and—he may be happy yet.

WE have been favored with a glimpse at the new County and State tax lists for 1872, which have been recently completed. The work has been very laborious, and has been a long time under way. Mr. George D. Flack has had the general supervision of the job, and, in fact, nearly all of the figuring has been done by him. We have never looked at a more correct and thorough piece of work. We make a brief summary:—

Value of acres of land in the county, \$1,436,921. Valuation \$26,489. Horses, 976; value, \$80,953. Mules, 462; value, \$36,697. Jacks, 3; value \$325. Jennets, 5; value, \$113. Goats, 98; value, \$147. Cattle, 8,489; value, \$47,463. Hogs, 19,049; value, \$24,195. Sheep, 3,655; value, \$3,983. Personal property, subject to tax, \$1,628,313. Incomes, \$106,701. Bequests, \$199. Total State and County tax, \$61,287 69. The tax on the hundred dollars is 80 cents. The poll tax, \$2.

### STATE ITEMS.

SHELBY has a wild man of the woods. DURIHAM calls a meeting for to-night to organize a brass band.

TWO camp meetings commence near Greensboro to-morrow.

AND now Durham has the geese nuisance and complains accordingly.

DURHAM sold 42,000 pounds of tobacco at 57 per pound.

NEW postoffice established at Sharpsburg, Nash county, N. C., George W. Robbins, postmaster.

A LITTLE daughter of Mr. Z. Heburn was killed by lightning in Washington on Wednesday last.

ONE of the Siamese twins is dangerously ill. These inseparable companions live in the Western part of this State.

THE Observer says that peaches go begging at ten cents a bushel, and we in Wilmington pay twenty times that price.

ELIZABETH CITY is to be an additional story to the hotel now being built there, when, the Carolinian says, it will be the largest in the State.

WE notice that Miss Mary Ann Baile well known in this community as the "Soldier's Friend," will open her school at Aiken S. C., on the 2nd of September.

AT Nash court, last week, John Colly of Warren county was sent to the penitentiary for five years for horse stealing, and Moses Bunn, convicted of forgery, was sent up for one year.

BENTON WILLIS, Esq., living near Germantown, lost his tobacco factory by fire on the 13th inst., and with it about 20,000 pounds of tobacco, besides tools, fixtures, &c. Incendiary.

AT the Hillsboro District M. E. Conference, which met at Mount Pleasant Church, in Chatham County on last Thursday, the sum of \$2,200 was raised for the Greensboro Female College.

AND now Wadesboro has a nuisance and complains accordingly—not about geese, but about sixteen calves with bells attached to their necks, which repose (the calves, not the bells,) under the trees in front of the hotel there.

AND now Washington, N. C., has the geese nuisance, and the city authorities have passed an ordinance prohibiting their going at large on the streets. This ordinance refers to the feathered geese only, for Washington would be a long some placid all its geese were kept in coops.

THE Wadesboro Argus has an unfair notice of the Lottery drawn in Wilmington, for the benefit of the College of Physicians and Surgeons. We supposed our friends in that town were better acquainted with the character of the managers of the Lottery than to suppose there could be any thing unfair about it.

## GREAT EASTERN MENORNE, MUSUM, AVIARY, CIRCUS AND CARAVAN.

This elaborate combination of zoological, arctic and museum attractions, will arrive here and perform Saturday September 7th, giving three entertainments, one at 10 o'clock, one at 2, and one again at 7 P. M. It spreads an unusual amount of canvas, covering the entire vacant space on lot of Base Ball grounds. It is undoubtedly a monarch among the great exhibitions of the day, and ranks as among the first, if not the best, in Columbus, Chicago, St. Paul and St. Louis, the papers are extravagant in their praise, and pronounce it much the largest and most satisfactory establishment on the road this season.

The circus and menagerie of yore are no more to be compared with the Great Eastern than are the most insignificant amateur gymnasts to the great Hanlons, two of whom are among the prominent artists of this rare combination.

The street pageant is admitted the most brilliant and sensational ever made.—Three bands are used instead of one, and the line of march is a glitter and glare of gold and crimson.

This is the first menagerie of the season, and we know from what we see and hear that the people will turn out en masse. The reputation of the proprietors and managers, and the fame of the gymnasts, and equestrians and riders advertised, and the 26 dens of animals, the elephants, camels, and grand steam piano, is evidence that the Great Eastern is all, and more, than is claimed for it.

WASHINGTON, D. C., August 24. MISCELLANY.—Two men were brought from Carter Co., to St. Louis, charged with assisting in the whipping of a discharged horse thief by a United States Commissioner. The affair is not political and therefore the klu klux act is in-operative.

A dispatch from Wheeling says, the scattering returns from fourteen counties favor the election of Jacobs and the defeat of the Constitution.

A mixed freight and passenger train on the Chicago and Dubuque road, was thrown from the track by the malicious placing of obstruction. Two persons killed and four probably fatally hurt.

THE lightning in Duchess Co., N. Y., killed and paralyzed another, and burned a house. The Sheriff's posse from Brownsville, surrounded four murderers, three escaped and went to Mexico, and were hung by the Sheriff's confederates on the other side, and the fourth was shot by the Sheriff.

FROM SOUTH CAROLINA. AUGUST 24. The regular Republican Convention adjourned till to-day by the chairman. Criminals and recrimination with the drawing of names, preceded the adjournment. The officers held a meeting, J. L. Orr, presiding over the bolt. The parties disavow a desire to conciliate with the Democrats or court their votes.

By Cable. MADRID, August 21. There are apprehensions of a further rising in the provinces bordering on France. The government is preparing.

NEW YORK MARKETS. NEW YORK, August 23. Stocks dull. Gold heavy at 133. Money firm at 5 per cent. Exchange—long 103 1/2, short 102 1/2. Government bonds dull and steady. State bonds quiet.

COTTON QUIET. Uplands 22 cents; Orleans 22 1/2 cents. Sales of 377 bales. Flour quiet and steady. Wheat quiet and steady. Corn steady. Pork steady—mess \$11 25. Lard steady—steam \$10 90. Spirits Turpentine steady at 52 1/2. Rosin steady at \$3 75. Sugar 30 for strained. Freight unchanged.

FOREIGN MARKETS. LONDON, August 21—11.30 A. M. Consols opened at 92 1/2; Bonds 92 1/2. LIVERPOOL, August 21—11 A. M. Cotton opened firm. Uplands 27 1/2. Orleans 26 1/2. The sales are estimated at 10,000 bales.

## BY TELEGRAPH.

From New York. AUGUST 23. The Democrats will be the candidates for Governor.

Comptroller Comptroller Comptroller has been further than fifty miles from the city, and most of the time in Westchester county, and that he will turn State's evidence, and his testimony will absolutely condemn the friends of the present administration.

If you desire rosy cheeks and a complexion fair and free from pimples, blotches and eruptions, purify your blood by taking Dr. Pierce's Golden Medical Discovery. Years and Nights—If horses could make themselves understood in human language, they would signify by a universal "Yes," their assent to the statement that the MUSTANG LINIMENT is the best remedy extant for all these ailments, and by a most emphatic "No," show their displeasure at every attempt to use any other preparation in its stead. Ever since its introduction at St. Louis, at the close of the Mexican war, in 1810, it has proved a signal blessing to horse and man—being with absolute certainty and wonderful dispatch, such equine diseases as spavin, ringbone, poll evil, scratches, hoof-ache, &c., and relieving and finally removing the painful affections which attack the muscles, sinews and external glands of human beings. It is a fact beyond contradiction that for all in-juries or complaints of man or quadruped to which an external remedy is applicable, the MUSTANG LINIMENT is preferable to every other.
