SPECIAL FEATURES AND ADVANTAGES.

1st. No restriction on Residence or Travel.
2d. No extra charge on the lives of Females.
3d. Policies Incontestable after Five Years.
4th. The rates of interest on the Funds of the Company higher than those on the Funds of the Companies located in other States, thus insuring larger Dividends to Policy Holders.
5th. The Directors and Officers of the Company are prominent NORTH CAROLINIANS, who are KNOWN to be men of INTEGRITY and WORTH.
6th. The Company is established on a solid and permanent basis, steps having been taken to increase the Capital Stock to \$500,000.
7th. All the Funds of the Company are Invested in this State and Circulated among our own People. This fact should commend the Company, above all others, to North Carolinians. It is well known that hundreds of thousands of dollars in Life Premiums are annually sent North to enrich Northern Capitalists, thus continually draining our people of immense amounts which should be kept at home. On this ground the friends of this Company confidently appeal to every son of the Old North State, and ask their support for this Home Institution, which, while it offers substantially all the advantages of Northern Companies, helps to build up Home Interests.
