SALISBURY, FRIDAY FEB 23.

TEMPERANCE ADDRESS. The Rev. G. B. WETMORE, will deliver on his tax-gatherers, and when the A Temperance address at the Fresbyterian & hurch Monday evening next, at 7 do'clock The public, and especially that portion of our citizens who have a fixed babition here, are cordially invited to give their authorities at Washington for military it this benevolent visitation of the speaker.

Sliping .- We learn from the New York World, that one of the pleas put in by Stokes, the murderer of Fisk, is certain irregularities in the composition of the Grand Jury which indicted him. These irregularities are grave, and if the point is sustained of which the World thinks against Stokes, and all other criminals for the last year, will turn out worthless : and it is said it will require legislative action to remedy the difficulty.

makes up a very remarkable case.
