CANVASERS WANTED. We are offering liberal inducements to persons canvassing for the Watchman.

The Supreme Court of the United | caution. States has decided that the Constitution dces not confer the right of sufferage on any one; and consequently, the right of women to vote is not conceded.

The more we read and study the great speech of the Hon. Matt W. Ransom the better we like it. We give some She was never abler represented either in pendence. the Senate or in the House. It would be Northern man and woman.

pers complaining. The same may be said of the mail matter from farther North. How is it? And why is it? We desire to call attention of Col. T. B. Long, the Special Postal Superintendent, to this great annoyance, with the hope that he will see that it is speedily corrected.

Elliott, of Statesville, who killed Neal, last Summer, has been pardoned out of the Penitentiary, after a confinement of about four months only. What is the use of having laws to punish crime? than punished. The failure to punish murderers with death is a crime against country is suffering fearful retribution, though the sniveling sentimentalists and sible for this great injustice. Let murderers and criminals of every description be punished: It is a duty imposed on hu- pose. man government by divine law.

COL Wm. JOHNSTON'S LETTER ON USURY.

Watchman will carefully peruse and of the press of other States .- They are study the able letter of Col. Wm. John- filled with extracts from it, and the fact ston on Usury, which appears in to-day's that each paper we peruse copies different paper. It is conclusive, unanswerable. portions, is evidence of the force and beau-Col. Johnston is not only the ablest fi- ty of the whole. nancier, but one of the wealthiest and most respectable citizens. His opinions more elaborate or exhaustive argument States depends upon a low rate of in-

an effort to bring about a reaction against is no further cause of quarrel, between the the Usury law by the meeting of the next North and South ; and it is to be regret-Legislature so as to have the law repealed, ted that a copy of the speech could not I am in the very bosom of the South, and we hope that Col. Johnston's letter will be placed in the possession of every fami. I think the sentiment I utter here to day if the same had been made to conform to the be filed for future study and reference.

The South is to be afflicted with lecture tour from Miss Anna Dickinson. She had better be cultivating a flower garden or nursing children, if she can find nothing more becoming her sex. Lecturing by women is only admissible in the family circle. When a woman appears on the public rostrum as an orator or leader in politics, or a teacher in medi cal, physical, moral or social science, she overleaps the bounds of nature and heto be esteemed as authority, it is not only the whole by the strength and beauty of a shame, but a crime for a woman thus to appear. Women lecturers are the creatures of that peculiar sort of Northernism that produced Free Loveism, Spir. North that the Southern people are still itualism, Beecherism and that glories in black mailing and harlotry. The South that they are a band of traitors, red-handhas generally kept free of such things, and ed murderers and assassins, stained with we hope her people will give Miss Anna barbarism, and guilty of the blackest Dickinson and all such spinsters or monstrocities, whether married or not, "a wide old ghoni and authoress of the lies Uncle Tom's Cabin living on the coast of Florida.

DELEGATES TO THE CON-VENTION.

It has hitherto been the especial pride of our State in the selection of Delegates frame this grand magnificent government. of transcedent virtue, which can never to a State Convention to send the ablest Their illustrous fathers have certainly cease to excite my highest aspiration for No. 32, Salisbury. is wise. For the framing or amending of a Constitution under which the people hundred years from our ancestors; but render to that grand impersonation of are to live for years, is no small matter, those ancestors have not transmitted any courage, dignity, virtue, and manly and and should be entrusted to the hands of taint of or example for secret treason. In Christain grace the homage of a soldier's her wisest and most far seeing men as a the Euglish heart the spirit of conspiracy respect. It was my fortune at Appomatmatter of prudence. It should not be never found a genial home. It is the tox Court-house to see General Lee and matter of prudence. It should not be growth of other soils.
