

We call special attention to the communication of "Rail Road." It will be seen that there is no truth for the report that the Carolina Central has brought the road bed from Wadesboro to Cheraw.

Governor Brogden has commuted the death sentence of Robt. A. Owens, of Lincoln, to hard labor in the Penitentiary for life. Owens had been tried and convicted of murder and sentenced to be hanged last Friday.

Grant has written a letter in which he says: "I am not now nor have I ever been a candidate for re-nomination, and I would not accept a nomination if it were tendered, unless it should come under such circumstances as to make it an imperative duty—circumstances not likely to arise."

The county Convention met in Salisbury on 29th May 1875, in order to nominate delegates for the State Convention. The meeting was organized by appointing Luke Blackmer, Esq., Chairman, and Messrs. Jas. B. Gibson & A. W. Owen Secretaries.

Money sent out of the County. We are reliably informed that over two hundred thousand dollars have been sent out of this county by the farmers and deposited in the banks at Charlotte.

If the County Convention had made nominations last Saturday for Delegates to the State Constitutional Convention, the Hon. Burton Craige and F. E. Shober would have been the men. Nearly all the Townships were represented, and they were represented by many of the best men in those Townships.

The Pennsylvania Republican Convention has pronounced against the Third Term. Telegraphic communication between Charlotte and Shelby has been completed.

send intelligent men, men who are sufficiently skilled in constitutional and legal forms to enable them to vote intelligently. Messrs. Craige & Shober would be generally acceptable.

SPARTANBURG, May 31.—Spartanburg county has to-day redeemed the pledge made on the 10th of last September, to subscribe one hundred thousand dollars to the Spartanburg and Asheville Railroad.

Other States, counties and towns are alive to the great importance of increased Railroad facilities, while Rowan and Salisbury appear to be entirely indifferent on the subject. The lands in Rowan are selling for 25 and 50 per cent. less than the same grades are in Cabarrus and Mecklenburg.

WHO ARE THE DELEGATES TO BE?

This question as applied to the gentlemen whom the people of this county may send to the Constitutional Convention, is very pertinent just now. For surely it is time we had agreed upon men who will not only reflect credit upon the County, but who are capable of lending assistance in making a Constitution for the people of North Carolina.

The complaint of hard times is as universal here as it is down South, and business is very dull. Half the business men are not clearing expenses, and hundreds of clerks and employes are out of work.

We make the above extract from a N. Y. letter, published in the Raleigh News. It tells the same story that we all know so well through out the South. Business is generally dull. Perhaps there is less excuse for it among our own people than elsewhere.

Col. A. S. Buford and W. H. Green were arrested for changing the gauge on the N. C. Railroad. A writ of habeas corpus was sued out before Judge Schneck of the 9th Judicial District, who appointed a hearing at Raleigh last Saturday.
