

# Carolina Watchman.

THURSDAY, DECEMBER 27, 1883.

The next Democratic National Convention will consist of 802 delegates. The time for holding the convention will probably be in July or August.

We have not room for Dr. Bulla's "caution about the use of Fire Arms, etc." in this paper, but it is good reading for the holiday and may be found in the Lexington Dispatch, of Dec. 20.

The "Western Nail Association," comprising representatives from every mill in the West, met at Pittsburg, Dec. 19, and resolved to close down for six weeks from December 20th till Feb. 11th. The stoppage is for the purpose of restricting production and improving the trade. This will throw out of employment a large number of the operatives at a time of year difficult for them to be idle.

Mr. Geo. B. Ennis, eldest son of Mr. James H. Ennis, died very suddenly in Raleigh, Dec. 22, aged 32 years. He was well known here, where he had a large number of friends.

On Monday night the Pleasure Club gave a German.

The Pleasure Club gives a Phantom Ball to-night.

Miss Blackmer, assisted by Misses Argyle, Mott, Steele and Boyden will receive their friends on New Year's day, from 3 to 6 p. m.

The colored people of this country have issued a notice for a Grand celebration of the anniversary of the Emancipation Proclamation, January 1st, 1884.

Christmas was observed here by a general suspension of business and religious services at St. Luke's and the Methodist Churches. It was a very quiet day on the streets.

Prof. W. G. Brown, at present at Thomasville, will return to this place Monday 31st, and will remain while he can be serviceable in fitting glasses to those who need them.

The furt and ferriage, as you like, of streets, since the recent rains is a matter of some difficulty for pedestrians who have any regard for the cleanliness of their extremities. A force to clear the crossings and in some places, plank pinned to the pavement would afford relief.

A number of ladies are visiting in Salisbury at present, among them: Miss Wheeler of Winston, Miss Kerr of Concord, Miss Rawley and Miss Gilmer of Mr. Airey, the Misses Meares of Linwood and Miss Wood of Statesville.

M. B. Leggett's Gigantean Minstrels will give an entertainment at Merover's Opera Hall, next Monday night. The Albany, (N. Y.) Evening Journal says of them: "The performance given at the Opera House by Leggett's Gigantean Minstrels, was one of the best of its kind ever witnessed in this city. Every piece came in for an encore, and the laughter and applause were unbounded."

Valuable Real Estate FOR SALE.

THE subscriber having determined to change his business will sell on easy terms some of the most valuable property in and adjoining the town of Salisbury, viz:

The House and Improvements  
where I now reside—house of brick with 10 rooms 18 feet square, well finished; two brick out-houses with two rooms each, used for coal room and smoke house and also, fine brick dairy; good barns and other buildings; good garden and an orchard of nice fruit containing from 8 to 10 acres of land—all in good condition.

Also, two houses and lots in Salisbury, and about thirty good building lots of one acre each, or any size to suit the purchaser. These lots are as well located as any in the town.

I will also sell two or three small farms of from 25 to 100 acres within 1 1/2 miles of the Courthouse. Also, one farm of 182 acres, about 3 1/2 miles from Salisbury, on the W. N. C. R. R. which has in cultivation about 20 acres of as good bottom land as can be found in the county. Also, several valuable GOLD MINING PROPERTIES.

For information in regard to the property or myself, I refer to Messrs. Luke Blackmer, M. L. Holmes, S. H. Wiley and J. S. McCubbins, senior.

S. R. HARRISON.

# SIMMONS' LIVER REGULATOR

For Dyspepsia, Costiveness, Sick Headache, Chronic Diarrhoea, Jaundice, Dropsy, etc., of the Liver, Gall, Biliary, and all Diseases caused by Derangement of Liver, Gall and Kidneys.

**SYMPTOMS OF A DISORDERED LIVER.**  
Bad Breath; Pain in the Side, sometimes the pain is felt under the Shoulder-Blade, mistaken for Rheumatism; general loss of appetite; Bowels generally constipated, sometimes alternating with lax; the head is troubled with pain, is dull and heavy, with considerable loss of memory, accompanied with a painful sensation of the stomach, often mistaken for indigestion; the patient complains of weakness and debility; nervous, easily startled; feet cold; a burning, sometimes a prickling sensation of the skin exists; spirits are low and despondent, and, although satisfied that exercise would be beneficial, yet one can hardly summon up fortitude to try it—in fact, distrusts every remedy. Several have occurred when but few of them existed, yet examination after death has shown the Liver to have been seriously deranged.

It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons Traveling or Living in Unhealthy Localities, by taking a dose occasionally to keep the Liver in healthy action, will avoid all Malaria, Bilious Attacks, Dropsy, Nausea, Headache, Depression of Spirits, etc., will dispense with the use of wine, but is a tonic and refreshing beverage.

If you have eaten anything hard of digestion, or feel heavy after meals, or sleepless, take a dose at night, and you will be relieved.

Time and Doctors' Bills will be saved by always keeping the Regulator in the House!

For whatever the ailment may be, a thoroughly safe, purgative, alterative, and tonic, never be out of place. The remedy is harmless and does not interfere with any other medicine.

IT IS PURELY VEGETABLE. And has all the good effects of Calomel or Quinine without any of the injurious after effects.

A Governor's Testimony. Simmons' Liver Regulator has been in my family for some time, and I am satisfied it is a valuable addition to the medical science.

Hon. Alexander H. Stephens, of Ga. says: Have derived some benefit from the use of Simmons' Liver Regulator, and wish to give it a further trial.

"The only thing that never fails to relieve." I have used many remedies for Dyspepsia, Liver Affection, and Indigestion, but never have found anything to benefit me to the extent of Simmons' Liver Regulator. I sent from Minneapolis, Minn., a bottle of this medicine, and would advise all who are similarly afflicted to try it, as it is the only thing that never fails to relieve.

Dr. J. W. Mason says: From actual experience in the use of Simmons' Liver Regulator in any practice I have been an ardent and successful user, and prescribe it as a purgative medicine.

Relief for Neuralgia

Hastings Mass. Jan. 3, 1883.

I am troubled with neuralgia in the head, neck and spine, but I find by using one of ALCOCK'S PLASTER to the affected part, that it gives me relief.

I take pleasure in recommending them to the afflicted for they have helped me.

# ALCOCK'S POROUS PLASTER

The Original and still the best

INSIST ON HAVING ALCOCK'S, THE GENUINE POROUS PLASTER.

One of the most remarkable inventions of the present age is ALCOCK'S POROUS PLASTER. They are the result of years of medical study, and only time and experience have brought them to their present perfection. Testimonials are received from all hosts of other diseases. Of course the sales and great success of ALCOCK'S PLASTER have caused numerous imitations to be brought before the public, and to the genuine, would give a similar warning to the public against these imitations. We would most particularly caution the public against these imitations, which are used in ALCOCK'S PLASTER, and are made of lead, red and adulterated, and are very injurious to the system, and are very dangerous in cases of hysteresis.

ALCOCK'S POROUS PLASTER

Relieve Debility and Nervousness

ALCOCK'S PLASTER works upon the nerves of the kidneys, warms the spinal cord, and restores vitality. They are the only thing that never fails to relieve.

Weak Kidneys Cured

COSTCOCK, N. C. March 3, 1883. I have been greatly troubled with weakness and weak kidneys. I was advised to try ALCOCK'S POROUS PLASTER, and used two other kinds of so-called Plasters which gave me no relief. But of yours has worked like a charm, and I am completely cured. I have not troubled with Rheumatism and Kidney complaint since then, and I am now well cured.

EDWARD D. BURNHAM

BRONCHIAL TROUBLE

122 C St., Washington, D. C. January 7, 1882. I take great pleasure in recommending ALCOCK'S POROUS PLASTER. I was advised to try them by Mrs. Samuel J. Hall, and I found them everything I needed. I used four other kinds of Plasters, but none of them gave me any relief. But of yours has worked like a charm, and I am completely cured. I have not troubled with Rheumatism and Kidney complaint since then, and I am now well cured.

EDWARD D. BURNHAM

SPINAL DISEASE CURED

HAMMETT'S HOTEL, ROCKAWAY, N. Y. May 19, 1882. ALCOCK'S PLASTER has been a great service to me and mine that I feel a duty to state the facts, as so many are able to induce others to use them. My son, for many years was confined to his bed, suffering from spinal disease, and after using a thousand dollars worth of medicine, she applied three ALCOCK'S PLASTER to the spinal column, one above other. In a few days all pain left. She applied fresh plasters every two weeks, and in the course of two months she was completely recovered. As first, she could hardly walk across the room, but now she walks a mile without stopping. She still occasionally applies plasters to her back, but she is now perfectly well for upward of a year.

LEWIS L. HAMME
