THURSDAY, FED. 5, 1885.

It is reported that the politicians and to President Cleveland as another class of citizens, to with The newly married couples who are making their bridal trips. The President elect has become the eentre of attraction to these, who infullible take in Albany and make a call on Mr. Cleveland. There are six or more couples there at a time, and they form a line and wait, sometimes for hours, before Mr Cleveland can see them, having pressing business engagements all the time, But they are said to display two admirable qualities-patience and perseverance. By and by, the President comes in and pass ing along the line, takes the hand of each and says some pleasant word, and then bowing himself out, re-enters his office

And this he is required to do sever

now existing in this country. The names of Generals Beauregard and Early are and have long been associated with this overshadowing gambling concern. The business may be conducted with as much fairness as usually characterises such institutions and yet afford no inducements to any honest man to patronize them. The object of those who run lotteries is to get money from those who are willing to gamble for money. Every scheme is It may be considered a wonderful thing county. wby Generals Beauregard and Early peris that they either receive a large salary from the managers or have a share in the profits. This is no excuse, to be sure, but rather a good reason why the public should not be deceived out of their mon-
