The agricultural experiment station has unearthed another fraud. The last month was bacon adulterated, with cockle, cheet and other weed seed; now it is a seed fraud. The Junaluska, N. C. Seed Co., has been selling worthless cabbage and other seed through agents. The seed are entirely without value and contain many weed seed. They are the rascals who sold last year, under the name of "Reeves Creek Seed Company." There are no post offices by these names, and never have been. Persons are warned against such frauds, from reputable business houses, and let traveling seedmen alone.

Salesmen wanted. Free prepaid outfit. One of our agents has earned over \$20,000.00 in five years. P. O. Box 1371 New York.

Statesville, May 21.—Mr. Varner Steel, near Mt. Vernon, Rowan county, had 6 or 7 pieces of bacon stolen about the 2nd inst., he took out a search warrant and found one piece in Julie Cowan's possession, who turned "Statesevidenced" told that Peter Caldwell and Andrew Hodge aided or got him into it, all were arrested and bound to court, failing to give bail were committed to jail in Salisbury. Julie said he could find the meat and some one went on his bond and on the 10th, found 4 pieces buried near Hodge's house. Peter Caldwell is a colored preacher, and this wholesale stealing has been going on for quite a number of years. Mr. Thomas Montgomery of Cool Springs, had 13 pieces stolen 4 or 5 years back and suspected the same parties but could get no clue or evidence whatever. Mr. Anderson Luckey, near Mt. Vernon, had a large lot of bacon stolen 2 or 3 years ago. Also Mr. Ab Castner and Mrs. Foster or (Ramsey) all of the same vicinity. The Southern Presbyterian.

Nashville, Tenn., May 10.—The General Assembly of the Southern Presbyterian Church to-day received the report of the committee on the Birmingham conference which recently reached a agreement to practically turn over the work of negro evangelization to the freed n's board. After some discussion the green board reached a final decision in favor of the plan.

Filled Its Jack With Shot.
Winston seated.

Up in L. W. Fork township, Wilkes county, several days ago, John Vickers (white) killed R. James Malpey (colored) neck full of shot. They had engaged in a little fistfuff sometime ago. Malpey went to Vickers' house when they again got into a dispute when the latter was knocked down by the negro. Vickers jumped up and ran into his house when the negro started to follow him, but when he got as far as the door he was met by Vickers, who had a shot gun in his hand and proceeded to let him have the contents of it, about half of the load lodging in his neck, which made a painful though not serious wound.
