

Does coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. "Health Coffee" is a clever combination of paroled cereals and nuts. Not a grain of real coffee, remember, in Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha Coffee. If your stomach, heart or kidneys can't stand coffee drinking, try Health Coffee. It is wholesome, nourishing and satisfying. It's safe even for the youngest child. Sold by N. P. Murphy.

FAITH.

February 25th.
Mrs. D. Lane was buried here today. The funeral sermon was preached to a large congregation by Rev. Callaway, of Salisbury, who came out from Salisbury with the funeral party. Mrs. Lane was formerly Miss Ollie Coley who lived at and near Faith for some years. Her mother and three brothers still live near Faith. She was 24 years old and had been married but a short while.

Some one took D. M. Brown's big two-horse plow from his field and he wants them to bring it back.

L. J. Kluttz bought out R. J. Lentz at Granite Quarry. He will erect a large storehouse and will rent it.

Flat cars have run out and cannot be had. This is a great inconvenience to those who are engaged in the granite industry.

Mr. and Mrs. C. J. Shive have moved into their new residence.

Peeler, Bame & Company are having a large granite die made with the word "Sadie" cut on one side in eight-inch raised letters. On the other side there will be several small letters sunk into the stone. It is one of the finest jobs that has been cut on the works and the letters are the largest.

Lawson Ludwick is sick with the grippe.

J. D. A. Fisher has a large number of little chickens just hatched from the big incubator

The public school here will have an exhibition at day and night on March 15th. There will be speeches, dialogues, etc.

UNION CHURCH.

It seems that the grippe has struck this vicinity in full force. Nearly every family has had it and some are pretty sick yet.

C. L. Walton is building a new barn. That's right Charley, keep up with the times.

O. J. H. Lyerly and F. G. Goodman have a contract to chop cord wood for A. L. Lyerly.

The painters are putting the finishing touch on the parsonage at Union church.

The stork visited the home of John H. Tippett recently.

Stop, look and listen for the big exhibition that will come off on March 9th, at Union Academy. Everybody invited to come and bring their family and their sweethearts. Hope the editor will be with us.

The Hustler visited Bro. Bartlette last Sunday and spent a very pleasant day.

Charlie Dry has moved to the place of his mother-in-law, Mrs. Amanda Agner, where he expects to cultivate a great big crop this year. We wish him success.

The farmers have been selling their cotton since the price has reached 11 cents. They go home with a smile on themselves and I don't blame them.

Not much spring oats have been sowed yet, on account of the weather. You better keep them out according to the groundhog sign, he will not fool you.

Don't forget the time for the meeting at Union Academy, Friday, March 1st, at 1 o'clock p. m., for the purpose of more and better schools. All are welcome to attend.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. CHRISTIANA.

February 19th.
Here comes another correspondent seeking admission to your band of news gatherers.

Rev. R. L. Brown, who had the misfortune to break his leg several weeks ago, has almost recovered, we are glad to say.

Geo. Lowe, an excellent old ex-slave, after several weeks of suffering, died Feb. 11th, from the effect of old age. George was a type of the negro race that should receive the respect of the whites, because he was one among the many of his color who was ever a true friend to them. He loved the whites and constantly associated with them. He realized the wickedness of many members of his race and never hesitated to express his opinion on the subject. We cannot pay too much tribute to these old slaves who are silently passing from time to eternity. The world will never again possess such servants, who, though they were freed, yet many preferred to spend their remaining days with their "mistress" whose husband had given his life for the cause he thought to be just.

The school at Rowan Academy which is being successfully taught by P. D. Brown, principal, and Miss Vida Trexler, assistant, will terminate on Friday, March 1st. On the following day an exhibition will be given. It will consist of speeches, dialogues, songs, debates, and interesting addresses by Revs. N. D. Bodie and W. W. Rows. There will be plenty of music. Everybody invited to attend and bring well-filled baskets.

There will be preaching at Christiana, Sunday, March 3rd.

BOSTIAN'S X ROADS.

We are having a lot of sickness in our neighborhood now. J. E. Holshouser and family are all sick with pneumonia, but are improving.

Mrs. W. T. Howell has been very sick but is better now.

We would be glad for Saw and Dandy to come over and see our school, (we do not go to school much ourselves) and we think you can learn something new. We have several new studies; first dancing, fighting, spelling and expelling and several others we are told. Initiating has been stopped by the boss, we are informed.

T. A. P. Roseman has been sick for two weeks but is out again, we are glad to say.

Dandy don't you think it would be a good solution of the compulsory educational plan to make every negro go to school from 8 to 21, extend the grandfather clause to A. D. 2019 and close up some of those playhouses, or so-called money schools?

We learn that T. A. P. Roseman has decided to sell out his stock in his store and close by March 1st. His store is very handy and we regret to learn that he is going to stop.

AXAX.

SALEM ACADEMY.

There is a great epidemic going through the country. There is not a family in this whole community but some member of it is sick in bed. The doctor is on the go all the time. The Salem and Lingle schools have both diminished to about one-third of their attendance on account of sickness. O. Canble is still in a critical condition.

Miss Dora Goodman, of Hickory, visited Rev. H. A. Trexler last week.

J. E. Briggs has put up a new barn this winter. C. W. Graham has lumber on the ground for one also.

Old Aunt Nancy Graham will soon move to Cleveland where she will make her home with her daughter.

Wild geese are going north now. That's a good sign winter is over.

Communion service will be held at Salem on the fifth Sunday in March, Easter Sunday in March. Preparatory service on Saturday evening previous.

O. Canble lost his fine mule the other day.

SNIFE.

ROWAN ACADEMY.

Feb. 28.

The health of the community is not very good at the present.

C. A. Johnson is sick with the grippe.

Mr. and Mrs. H. F. Frick, of Crescent, visited Mr. Frick's father, C. L. Frick, last Saturday night and Sunday.

The committeemen of Rowan Academy met last Friday and built a piazza to the house, which adds very much to its looks and will be a great benefit for the exhibition which will be held next Saturday, March 2nd. Revs. W. Rows and N. D. Bodie we are informed will be present to make addresses. They are both very able speakers and we will be pleased to have them with us.

Geo. D. Peeler is somewhat indisposed, but we hope nothing serious.

Miss Jane Frick visited at Jno. H. Frick's several days this week.

Miss Pearl and Charlie Cauble visited their sister Mrs. Chas. Walton last Saturday night.

Little Misses Pearl and Lula May Lyerly visited Misses Louana and Callie Frick last Wednesday night.

Miss Pearl El'ler and Mrs. C. L. Frick visited friends and relatives in and around Rockwell recently.

Jno. C. Canble visited Miss Maggie Earnhardt of Craven last Sunday.

PATSEY.

DUNN'S MOUNTAIN.

Feb. 28.

Our school house has been received by the Board of Education. Prof. Kizer says it is as good as any in the county and seemed very well pleased. The future school committee should see to it that any damage done to the building by any of the school children, is paid for by the parents of the children. There is a disposition in this section to deface and break up the school house and break out the glass and in fact any kind of damage that can be done is done. This should be watched and prevented as much as possible.

Jno. H. Frick is confined to his room. He has a severe case of the grippe. We hope he will soon recover.

Chas. F. Frick went to Fayetteville last week as a delegate from Crescent No. 196.

Bro. Lee does not make his motion very plain. Please be more explicit, so we can tell whether to second the motion or not. However we don't care to help in any move that will be as miserable a failure as the last time we tried to get together, now Lee make a proposal and we will do all we can for the cause of the WATCHMAN.

Bro. Hustler, of Lyerly, paid us a visit Sunday the 17th. Come again Bro.

Mrs. E. E. Proctor is visiting her mother and sisters this week.

Well, as there has been no devilment done in our midst, therefore no news, we will shut up.
