

**Flavoring Extracts**  
Made Just for You.

It stands to reason that in making flavoring extracts for our own trade, and requiring only a moderate profit, we can supply better extracts than some distant manufacturer who must provide for two or three profits.

There is a distinct saving here that goes into the quality of our extracts. Try them for cooking and see how much fresher, stronger and more appetizing our extracts are.

**Constipation**

Baked sweet apples, with some people, bring prompt relief for Constipation. With others coarse all-wheat bread will have the same effect. Nature undoubtedly has a vegetable remedy to relieve every ailment known to man, if physicians can but find Nature's way to health. And this is strikingly true with regard to Constipation.

The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But combined with Epsom's Salts, Epsom's Salts, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation. A toothsome Candy Tablet, called Lax-ets, is now made at the most effective prescription. Its effect on Constipation, Biliousness, Sour Stomach, Bad Breath, Salivary Complication, etc., is indeed prompt and satisfying.

No griping, no unpleasant after effects are experienced, and Lax-ets are put up in beautiful lithographed metal boxes at 5 cents and 25 cents per box.

**The Most Lawless Country.**

In a paper published and sanctioned by the American Academy of Political Science Prof. James W. Garner of the University of Illinois declares that the people of the United States stands before the civilized nations as the most lawless in the world. Prof. Garner produces a table showing that homicides are now ranging around 9,000 a year with only 113 legal executions for 1904, the latest year included in his statistics.

The United States having 112 homicides to each million population as against five in Germany, ten in England and Wales, twelve in Canada, and 18 1-2 in France. Chicago, with a third the population of London, has eight times as many murders. Of our host of man-slayers we only manage to execute 116 (including negroes) in 1904, scoring practically no advance upon twenty years ago; when killings were but one-fifth as many. As is notorious, though Prof. Garner seems to have no statistics on this point nothing whatever is done with the vast majority of slayers. Murders are acquitted and lionized upon pleas which would not be tolerated for a moment in the courts of any other country. Lynching increases at a great rate. The country is more lawless each year than it has ever been before. Prof. Garner only spoke the simple truth when he assigned us our bad eminence. Is it not time that the American people, if only from sense of shame, were opening their eyes wide to this evil?—Charlotte Observer.

**A Trolley Car Jumps Track.**

Clarksburg, W. Va., July 7.—Heavily laden with passengers who were enjoying an outing, an open trolley car on the Fairmount & Clarksburg Traction Company's system jumped the track on the Grassell division, just outside the city limits, tonight and crashed over an embankment, instantly killing two, fatally injuring one and seriously injuring nine others.

The dead are: Miss Grace Markert, Clarksburg, skull crushed. W. T. Gray, engineer, Washington Carbon Works, Clarksburg, head crushed. The injured: Miss Maggie M. Robinson, Fairmont, skull crushed, dying at St. Mary's Hospital; Jack Fullerton, Clarksburg, leg broken and bruised; Superintendent Eakin, of Grassell Chemical Works, Clarksburg, back strained; Mrs. Eakin, leg crushed and severely bruised; Mrs. Murchant, Indiana, shoulder and arm crushed; J. A. Robinson, Fairmont, right arm mangled; Floyd P. Martin, Clarksburg, cut and bruised; Mrs. Floyd P. Martin, leg crushed, injured internally; Clayton Powell, Clarksburg, severely bruised; George Jackson, colored, scalp wound. How the car left the track is a mystery the traction company officials cannot explain. It was running up hill around a curve and going at a moderate speed. After bounding along the ties for a short distance the car went over the embankment and landed on its side, pinning the dead and injured underneath. Motorman James and Conductor Fitzpatrick escaped with slight injuries. Most of the injured were taken to city hospitals and some to their homes. Several passengers besides those whose names are given were slightly hurt.

Thousands of people are daily suffering with kidney and bladder troubles—dangerous ailments that should be checked promptly. DeWitt's Kidney and Bladder Pills are the best remedy for backache, weak kidneys, inflammation of the bladder. Their action is prompt and sure. A week's treatment for 35c. Sold by James Plummer and all druggists.

**Schnapps Tobacco is Made ENTIRELY from Flue Cured Tobacco Grown in the Piedmont Country. The Imitation Brands Have Schnapps Quality Only On the Outside Of the Plug**

Hundreds of imitation brands are on sale that look like Schnapps tobacco. The outside of the imitation plugs of tobacco is flue cured the same as Schnapps, but the inside is filled with cheap, flimsy, heavily sweetened air cured tobacco. One chew of Schnapps will satisfy tobacco hunger longer than two chews of such tobacco. The color, size and shape of the tags, plugs and packages of certain imitation brands of tobacco have been made so much like Schnapps that they have often been accepted by buyers under the belief that they were getting Schnapps. Sufficient proof has been secured to establish the fact that certain brands are infringements and in violation of the trade mark laws, yet the trade will continue to be imposed upon by these infringers until the suit already entered and now pending to protect Schnapps is decided. A great many of these imitations are

claimed to be "just as good" as Schnapps, but there is only one genuine Schnapps. Be sure the letters on the tag, and stamped on the plug under the tag spell S-C-H-N-A-P-P-S and then you have it—the most wholesome tobacco produced, with just enough sweetening to preserve the mild, juicy, stimulating quality of the leaf tobacco. Expert tests prove that this flue cured tobacco, grown in the famous Piedmont region, requires and takes less sweetening than any other and has a wholesome, stimulating, satisfying effect on chewers.

If the tobacco you are chewing don't satisfy you more than the mere habit of expectorating, stop fooling yourself and chew Schnapps tobacco. Schnapps is like the tobacco chewers formerly bought costing from 75c. to \$1.00 per pound; Schnapps is sold at 50c. per pound, in 5c. cuts, strictly 10c. and 15c. plugs.
