

Chip

CHIP TOBACCO is one of the best and largest plugs of fine-cured goods ever offered the consumer at 10c. It is manufactured by a strictly INDEPENDENT firm, a concern depending solely upon the good will and patronage of the people at large; a patronage only desired upon the strength of the superior quality of their tobacco. That it has earned this appreciation is amply proved by the tremendous and rapidly increasing demand for CHIP. In fact, wherever their tobacco comes into competition with other makes, whether with the people or before judges of the world's great expositions, they are invariably winners. Call for CHIP and save the tags as they are valuable.

A copy of our 1907 premium catalogue, which is one of the largest and most attractive ever gotten out by a tobacco manufacturer, will be mailed to any address in the United States on receipt of only 4c in postage stamps or 8 of the tags we are redeeming.

Will Not Agree to a Suspension of the Law.

Governor Glenn made the announcement this afternoon that the State authorities, after a conference with Assistant United States Attorney General Stanford, regarding the railroad passenger rate litigation, decided to agree to the proposition made by Mr. Stanford, for securing a speedy settlement of the case and averting a further clash between the State and Federal courts, except that the State insists that pending this adjudication per the agreement that the 2 1/4-cent rate must go into effect on all roads liable to it, including the Southern and Atlantic Coast Lines, now claimed to be protected by the injunction from Judge Pritchard.

The Governor and advisors take the position that the Governor has no power to enter into any agreement that would suspend the operation of this act, which the Legislature clearly intended should be in effect from July 1st. This position of the State authorities has been telegraphed to Judge Pritchard and the Southern authorities and the Department of Justice at Washington, and thus the matter stands.—Raleigh special, 25th, to Charlotte News.

A Sensible Way to Settle an Estate.

Sometimes there is a family row over the division of property after the head of the house dies, but there would never be any trouble of that nature if all heirs would act as sensibly as did the children of the late Esq. A. J. Austin, who lived in the northern part of the county. Mr. Austin died recently and a week or two ago his children met at the old homestead and proceeded to divide the personal effects among themselves. The articles were put up to the highest bidder and if one wanted the article all he or she had to do was to put the last and highest bid on it. No one had anything to do with the sale except the heirs. There were no minor heirs and every one of the men and women interested went into an agreement to dispose of the property in the way it was disposed of. There will be no ill feeling in that family over the division of what their father left them.—Monroe Enquirer.

Could do Better With the Plow.

In his early days in the newspaper field a prominent Southern editor, was visited by a Georgia farmer, having his seventeen-year-old son in tow, and who upon entering the office, said: "I came to get some information, Editor."

"I shall be glad to afford you any that I can, was the polite response.

"Well," said the farmer, "this boy o' mine wants to go into the literary business, an' I thought you would know if there was any money in it. It's a good business, ain't it?"

"Well, yes, said the editor, after some little hesitation; "I've been in it myself for some years, and—"

Whereupon the farmer eyed him from head to foot, glanced around the poorly-furnished office, surveyed the editor once more and then, turning to his son, said: "Come 'long home, Jim, and git back to your plowin'!"—Everybody's Magazine.

The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by James Plummer, Salisbury, and Spencer Pharmacy, Spencer, N. C.

Punishment for Slanderers of Banks.

There should be some punishment provided by the law for the persons who idly or maliciously set afloat false rumors about a bank's condition. The harm which such rumors can do found some slight illustration Thursday in Salisbury when great though quickly passing excitement centered around the Salisbury branch of the Wachovia Loan & Trust Co. In this case only temporary vexation was caused or causable, but instances are not lacking where innocent banks have been gravely damaged through rumors started by wild stories. While the more intelligent and substantial part of the community is not often misled, depositors in the mass are easily stampeded as readily by an alarm of the nature as by a fire alarm in a crowded theater. Under circumstances like these it behooves business men in general, as well as other banks to come to the rescue; indeed the active manifestation of this spirit forming a pleasing incident of the Salisbury flurry. Such causeless runs on banks never fail to make an observant onlooker think how delicate a thing is a bank's character; comparable only to a woman's. And just as slandering an innocent woman is heavily punished by the law in North Carolina and most other states, so slandering an innocent bank might well be made punishable to some lesser extent. Such a provision would be peculiarly appropriate inasmuch as the matter is one in which the entire community has a stake. We launch this idea with some confidence in its claim to thoughtful consideration.—Charlotte Observer.

Habitual Kindness.

There is no gift or grace that goes further toward making one beloved than the art of simple kindness. Just to be kind, in smile and word and deed, is the shortest, surest, road to power over other lives. It is better to be kind than brilliant; one brings affection and loyalty; the other usually brings in its train only envy and bitterness. This adornment of simple kindness is the way within the reach of everybody. There is no person so untalented as to be incapable of habitual kindness. The grace is one that grows in any soil, and beneath clouds or sunshine, snow or rain. It has taken centuries for men to grow into anything like an appreciation that is adequate of the wondrous excellencies of Jesus Christ; but the humblest peasant by the Lake of Galilee or upon the hills of Judea, could instantly discern and understand his simple kindness; for kindness is the universal language.—Westminster.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or the Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Grimes Drug Store.

NATURE'S GREAT BLOOD TONIC Piedmont-Bedford Concentrated Iron & Alum Water

(Representing the Famous Bedford Alum & Iron Springs of Va.)
contains 17 of the most powerful Mineral Tonics.

An 18-oz. bottle contains all the minerals in a barrel of the average water. We furnish the minerals, you furnish the water.

We have certificates both from the public and from eminent physicians, telling of its virtue in **Dyspepsia, Rheumatism, a large variety of Female Diseases, Chronic Diarrhoea and Dysentery, General Debility, Anaemia, Malaria, Ulceration of the Throat, Diabetes, Piles, Chronic Eczema, Nervousness, Chronic Constipation, and many showing the wonderful cures in that dreadful disease, Scrofula.**

Dr. T. L. KASLER, for fifteen years a resident at the Springs, says: For Scrofula, that fearful destroyer of human health and happiness, we have in this water a remedy which neither science nor fortunate accident has hitherto found an equal. It is in this malady, and some forms of secondary and tertiary Syphilis, that this water when carried to its full alternative effect, displays its highest curative powers. In all forms of disease peculiar to females, this water will be found to exert a curative influence second to none in Virginia.

I have given your Concentrated Water a fair trial, and say with pleasure I have been greatly benefited. For some years I have suffered more or less with Indigestion, followed by Constipation and other attendant ills. Within the past two months I have found such relief from your remedy that I have improved in strength and weight; have eaten what I have not dared to do for a long time, and have done harder work than I have been able to do before for years.

Rev. OSCAR LITTLETON,
Presiding Elder, Lynchburg, Va.

Since 1894 I have been afflicted with Chronic Diarrhoea. About six months ago I commenced using your Concentrated Iron and Alum Water with the most wonderful and satisfactory results. For three or four years past I have been deprived of the privilege of visiting friends or going to church, as my trouble kept me in constant apprehension having lost almost entirely the control of my bowels; but now I am happy to state that after using about a half dozen bottles of your remedy I am entirely cured, not having used any for the last four months. I am confidently and most gladly recommend your remedy for Chronic Diarrhoea.

CARR. RUFUS AMIS, Virginia, Va.

I was an intense sufferer for some months with Indigestion, and could get no relief from the ordinary remedies. During the month of January I began the use of your Concentrated Water, and one bottle has entirely relieved me. I can now digest any diet and am entirely free from suffering. I take great pleasure in giving this testimonial.

Rev. H. M. BLAIR,
Editor N. C. Christian Advocate,
Greensboro, N. C.

I have used and prescribed waters from several Iron and Alum Springs, but none of them begin to come up to your Concentrated Water in all that goes to make the ideal alternative, strengthener, appetizer and restorative. It is at once a fine tonic and flesh-builder. Have advised several recently to try it, and always with fine and quick results. In January I had a bottle sent from one of your dealers to a lady, with the understanding that if it did not at once improve her digestive apparatus, I would pay the \$1.00 myself. She not only willingly paid the bill, but used a part of one-half dozen more bottles, and is now completely cured of a long and annoying Stomach Trouble. This seems to be the case with all who try it.
