GOLD HILL.

August 5th.
The fever situation here is un-
improved. There are several new
cases; some of the first are con-
valescent. Three of our leading
merchants are now down with
the fever, B. C. Cody, Jas. Ruffy
and Irvin Shaver. Mr. Cody is
very low, recovery doubtful. Drs.
Bowers, Pool and Goodman have
been attending him, and a trained
nurse has been employed to be
constantly with him.

J. M. Proctor, superintendent
Southern Mining Co., is confined to
his room with some peculiar
affliction resembling fits.

It is reported that a new boiler
hoister and pump have been or-
dered to take the place of the
small ones now in use at the
Southern mine, the water having
become stronger as depth is at-
tained. The present boiler is not
sufficient to keep out the water.

Milas Simpson, one of our old-
est citizens, suffered a stroke of
paralysis last week. He is about
75 years of age. One whole side
is afflicted and he is not able to
take any nourishment except a
little milk or soup. No hope is
entertained for his recovery. Mr.
Milas was a familiar figure on our
streets, known as the "knife
trader."

Wm. Smith is having erected
on his lot opposite J. A. Arley's
store a building to be used for a
beef market. It will be fitted up
with a large refrigerator in the
rear future and he will keep fresh
meats constantly on hand.

B. N. Hedrick has received a
cartload of ice from Charlotte,
with which to supply the wants of
the sick and others who have been
unable to get ice from Salisbury.

John Hill has purchased from
Mauney estate a tract of land ad-
joining his residence containing 17
acres, consideration \$800.

C. R. Morgan has raised his
smoke stack and walled up his
boiler, and is making prepara-
tions to start up his wood working
plant in the near future.

The Methodist church has just
received a coat of paint of which
it was badly in need.

The ten-days meeting at the
Holiness church is in progress.
There are three preachers here
from Greensboro, one of whom is
a woman, Mrs. Cox. The church
was crowded on yesterday and
last night.

Fred Pirrie has resigned his po-
sition at the Spencer shops and
moved his family back to Gold
Hill, and is living in the house
with Prof. Rothrock and has ac-
cepted a position as machinist at
the Gold Hill mines.

Jerry Bean has left for parts
unknown and his family is mov-
ing back to the country. It is re-
ported that he is indicted for
running a blind tiger at his late
residence.

West & Wells circus struck our
town last Wednesday and quite a
crowd was in attendance. There
was some acting and acrobatic
feats that were fairly creditable.
The animal features consisted of
an elephant, a lion and a cage of
monkeys.

I will mail you free, to prove
merit, samples of my Dr. Shoop's
Restorative, and my Book on ei-
ther Dyspepsia, The Heart or the
Kidneys. Troubles of the Stom-
ach, Heart or Kidneys, are mere-
ly symptoms of a deeper ailment.
Don't make the common error of
treating symptoms only. Symptom
treatment is treating the result
of your ailment, and not the
cause. Weak Stomach nerves—
the inside nerves—mean Stomach
weakness, always. And the Heart,
and Kidneys as well, have their
controlling or inside nerves.
Weakness these nerves and you in-
evitably have weak vital organs.
Here is where Dr. Shoop's Re-
storative has made its fame. No
other remedy even claims to treat
the "inside nerves." Also for
bloating, biliousness, bad breath
or complexion, use Dr. Shoop's
Restorative. Write me today for

DUTCH CREEK.

August 4th.
We had a nice rain Saturday
evening. It was needed very
much.

Look out for the wedding bells!
B. F. Eller and Miss Daisy Trex-
ler were married Sunday. We all
wish them a long and happy life.
We think there is another wed-
ding near at hand, in our town,
for the dress is ready and I know
they are wishing for the time to
come.

W. M. Wyatt is going to Salis-
bury today to do carpenter work.

H. W. Agner and C. A. Misen-
heimer were welcome visitors at
M. L. Agner's Saturday and Sun-
day. Come again boys.

David Shepherd, while on his
way to B. F. Eller's got lost and
got to Joe Eller's. He had to
turn back to get in the right road.
I guess he got there.

M. L. Agner and family visited
at C. A. Poole's Sunday. They
had a nice watermelon. Misses
Roxie and Doce Poole were there.

Thrashing machines were plen-
tiful last week. There were about
four in the neighborhood at once.

There was a nice game of ball
Saturday afternoon between the
Garfield and Rockwell nines. The
score was 4 to 7 in favor of Gar-
field.

you had better mind or you will
get your faces out of shape when
you get on the farm question."
WILD BILL.

Haywood Acquitted in Idaho.

In the bright sunlight of a
beautiful Sabbath morning Wil-
liam D. Haywood, secretary and
treasurer of the Western Federa-
tion of Miners, walked a free man
today, July 28th, acquitted of the
murder of former Governor Frank
Stuenkel.

Probability of acquittal was
freely predicted after Judge Fre-
mont Wood read his charge, which
was regarded as strongly favoring
the defense in its interpretation
of the laws of conspiracy, circum-
stantial evidence and the corrob-
oration of a confessed accomplice.
It was also freely predicted that,
in the event of Haywood's ac-
quittal, the State would abandon
the prosecution of his associates,
Charles H. Moyer, president of
the Federation, and George A.
Petibone, of Denver. Statements
from counsel and from Governor
Gooding, issued today, dispel
this view of the situation.

The trial had been in progress
for several months. Haywood
and others were charged with
having been the directors of a
campaign which resulted in a
number of murders, and no doubt
they are guilty, but the evidence
was insufficient to convict. Har-
ry Orchard, the principle witness
against the defendants, confessed
to so many crimes that his evi-
dence was considered worthless.

Eczema.

For the good of those suffering
with eczema or other such trouble,
I wish to say, my wife had some-
thing of that kind and after using
the doctors' remedies for some
time concluded to try Chamber-
lain's Salve, and it proved to be
better than anything she had
tried. For sale by James Plum-
mer, Salisbury, and Spencer Phar-
macy, Spencer, N. C.

FAITH.

Another farmer retires from
farm life, rents his farm to a Mr.
Cannon and moves to Faith to
live. This time it is D. A. Laffer,
of No 7 township, Cabarrus coun-
ty. He has rented C. A. Peeler's
residence until he gets up one of
his own.

Rev. A. S. Peeler arrived from
Waynesburg, O., on a visit to his
parents, Mr. and Mrs. Crawford
Peeler.

G. L. Brown took out a two-
horse load of cans from Salisbury
to can up his tomatoes, corn,
beans, etc.

Prof. McAllister, of Mt. Pleas-
ant, spent Friday night with Rev.
C. P. Fisher.

H. A. Stirewalt is visiting rela-
tives here.
Miss Aggie Lipe, of near Ebe-
nezer church, is visiting her sister
Mrs. R. P. Stirewalt, this week.

J. T. Wyatt shipped two car-
loads of street curbing Friday.

Peeler, Bams & Co. shipped a
cartload of building stones today
to Danville, Va.

SUNDAY SCHOOL CONVENTION HELD.

Big Time at St. Luke's Church, Providence
Township. Last Thursday.

The annual meeting of Provi-
dence Township Sunday School
Convention was held in St. Luke's
Reformed church, Thursday, Au-
gust 1, 1907, from 10:30 a. m. to
4:30 p. m.

The convention was called to
order by President H. C. Peeler.
In the absence of the secretary,
P. D. Brown, the president asked
B. L. Phillips to serve as secretary
pro tem. After an appropriate
opening the convention began at
once with the business of the
meeting. It accepted as correct
the minutes of last meeting and
elected the following officers for
the ensuing year: Rev. N. D.
Bodie, president; H. C. Peeler,
vice-president; B. L. Phillips,
secretary and treasurer.

After the query box was placed
the discussion of topic (1) began.
A. L. Klutz introduced the topic,
which reads like this, "The Bene-
fits of a Well-studied Sunday
School Lesson." Mr. Klutz
spoke well and among other things
he said that there were practically
no benefits to the lesson unless it
was well-studied and as a means
towards getting well-studied les-
sons he suggested plenty of "Les-
son Helps."

He was followed by H. C. Peeler,
who showed that he had stud-
ied diligently the international
lessons since January 1, 1907, by
making a brief review of the les-
sons studied since that time, and
by application showing how the
benefits fitted in.

Rev. N. D. Bodie then took up
the subject, and in a very inter-
esting manner, with plain lessons
from every day school life, showed
how a lesson could not be used at
all until it was well-learned, and
how continual practice of well-
studied Sunday school lessons
would develop and train the
mind.

Rev. R. L. Brown, as a volun-
teer, hurriedly outlined several
benefits derived from well-studied
Sunday school lessons, one among
which was the knowledge a fami-
liarity with the Bible.

Topic (2) "The Sunday School
as a Factor in Mission Work,"
was next introduced. Dr. J. M.
Lyerly was the only man to re-
spond to his name on this impor-
tant subject. He spoke of what a
great mission that department of
the Sunday school had in large
cities, and so on down to the
schools in the rural districts. He
advocated a larger effort along
this line. The morning session
came to a close with a song and
an offering which amounted to
\$1.89. This time was heartily
welcomed by the patient listeners,
for the long morning session had
become somewhat tedious to them.

The sound of the bell in the
tower, after an hour's rest, called
the convention back into the
house. A timely selection by the
choir at this time assisted much
in getting the people in and ar-
ranged, so that the convention at
once went on with its procedure.

Four schools answered to the
roll call and read reports. These
were St. Luke's, Christians, Provi-
dence and St. Peter's. St. Luke's
leads with an average attendance
of 81%, Christians follows with
an average of 56%, Providence
47% and St. Peter's 48%. Three
schools: Bethel, Trading Ford and
Union were not represented in the
convention, reasons unknown.

Before topic (3) was begun Rev.
W. W. Rowe called the attention
of the convention to the specially
prepared report blanks furnished
by the State. The secretary was
instructed to transfer the reports
to blanks of that kind.

Topic (3) "How Best to De-
velop Reverence in the Sunday
School." This topic was excep-
tionally well discussed by Dr.
Trexler and Rev. C. B. Heller.
Dr. Trexler said that Protestants
could well take a lesson in rever-
ence from the Catholics, who hold
in supreme reverence their places
of worship.

Rev. C. B. Heller made a fine
appearance and gave some valu-
able suggestions as to deportment
in the church of God. This was
the best handled topic of the day.

Topic (4) "How to make the
Sabbath Delightful." This topic
was interestingly discussed by
short speeches from Messrs. Ar-
thur Thomas, John C. Peeler and
Revs. W. W. Rowe and R. L.
Brown.

In the query box was found
this question, "What is the Ob-

ject of the Sunday School?" Dr.
Lyerly answered it very appro-
priately in these words, "The Ob-
ject of the Sunday school is to
serve the Church."

It was first decided that the
convention should meet at Bethel
next year, but an investigation
proved that Christians came next
in order, so the place of meeting
was changed from Bethel to
Christians.

The First Thursday in August
of each year was chosen as the
time for the convention to meet.
This time was set by a standing
resolution.

The convention elected the fol-
lowing gentlemen as delegates to
the county convention to be held
at St. Paul's and instructed each
Sunday school to elect at least
one more:

St. Luke's, J. C. Peeler; Chris-
tians, Arthur Thomas; St. Peter's
A. L. Klutz; Providence, B. L.
Phillips; Union, G. M. L. Lyerly,
Trading Ford, George Long;
Bethel, J. C. Wilhelms.

The convention now closed with
the usual parting song, the Lord's
Prayer in concert, and Benedic-
tion by President N. D. Bodie.

B. L. PHILLIPS,

HOME GIRL.

Heart Strength, or Heart Weakness, means Nerve
strength, or Nerve Weakness—nothing more. Pos-
sibly not one weak heart in a hundred is in its
self, actually diseased. It is almost always a
hidden tiny little nerve that really is all at fault.
This obscure nerve—the Cardiac, or Heart Nerve
—simply needs, and must have, more power, more
strength, more controlling, more governing
strength. Without that the heart must continue
to fail, and the stomach and kidneys also have
the same controlling nerve.
This clearly explains why, as a medicine, Dr.
Shoop's Restorative has in the past done so much
for weak and ailing hearts. Dr. Shoop first sought
the cause of all this painful, pulsating, suffocating
heart distress. Dr. Shoop's Restorative—this
popular prescription—is alone directed to these
weak and wasting nerve centers. It builds
strength; it offers real, genuine heart help.
If you would have strong hearts, strong di-
gestion, strengthen these Nerves—re-establish
them as needed, with
