## DUNN'S MOUNTAIN.

Oct. 14.—The weather we have been having in our community for a few days calls for a 'good fire.

Jno. H. Frick has had his gin sharpened and is prepared to do good work for his customers.

Cotton is not turning out as well as usual. As a rule it should for 1,200 lbs seed cotton make a 400 lb bale, but it falls short in a good many instances.

Jno. Leonard, who had rented of Rufus Eller, is now thinking of going to Henry Agner's near Faith. Guess he will settle down soon.

James Lewis, the infant son of Lewis I. Cauble, has been very sick for a few days. Dr. McKenzie was called and the little one is now getting along nicely.

David M. Kealer has had the chimneys to his house run up. Preparatory arrangements are being made otherwise for occupancy.

Jr. O. U. A. M. Council, No. 196, meets Saturday evening at 7:30 the 19th. Come out and get some new information.

It is strange, nevertheless true, that some people will enter into an agreement and agree to agree then turn around when the agreement is made and disagree and fall out with a brother for not agreeing with them in their disagreement. But such is life. Some people in this world are very particular in regard to some things (strings on a barn door) and in other more important matters are very slack.

The brother's observation is in a general way correct, but there is more to this. For instance should some thin skinned fellow take up the idea that such a statement had reference to him, he would be as mad as a wet hen. Being published, he would be willing to swear that every man in the State knew it had reference to him and nothing short of a suit for damages would passify his tender soul. While on the other hand, a man of brains and common information, would never say a word and no one would know who it had reference to. And, "sich" is also life.—[Ed.]

People are gathering their corn in our community.

We are informed that the party who rented the P. A. Peeler, Sr., farm has deserted and hauled off his plows, etc. We have not learned the cause.

What has become of Uncle Josh? Send in the news Uncle, don't fall from grace. Come up to the rack and get your portion. BARTLETT.

## LOWER ROWAN.

Oct. 14.—Corn shuckings will soon be in full blast.

I. C. Shaver and family visited at Mrs. P. L. Arey's Sunday evening.

A young gentleman arrived at A. W. Shaver's Sunday September 29th, and has not yet told his name.

Mr. and Mrs. John Tolbert and sister, Miss Agnes, of Concord, are in our community visiting relatives.

We are expecting several weddings to report soon.

Mr. and Mrs. Jacob Arey visited at A. W. Shaver's Sunday evening.

Mr. and Mrs. I. C. Shaver and little son visited in Stanly October 6th and 6th, going by Bethel M. E. Church for quarterly meeting Saturday morning. From there they went to Tom Kirk's, near Norwood, then on to Randall's M. E. church Sunday morning, where they heard an excellent sermon preached by Rev. A. L. Stanford. On their return home, they attended revival services at New London Sunday night.

## BLUE EYES.

Stomach troubles, Heart and Kidney ailments, can be quickly corrected with a prescription known to druggists everywhere as Dr. Shoop's Restorative. The prompt and surprising relief which this remedy immediately brings is entirely due to its Restorative action upon the controlling nerve of the Stomach, etc. Grimes Drug Store.

## ROWAN ACADEMY.

Oct. 14.—Picking cotton and sowing oats seems to be the order of the day along now.

Edgar L. Peeler started to school at Crescent last Monday. We wish him success.

Corn shuckings are in full blast along now. It seems that everybody wants to be in fashion whether they have got as much as a half dozen loads or not.

We expect to have a wedding or two to report in the near future.

M. L. Boger has moved from his farm at this place to live with his father, near Mt. Pleasant.

The health of our community is not so good at present, as there are several cases of chills and malarial fever.

Mr. and Mrs. Jno. Frick and little daughter, of near Craven, visited Mr. Frick's parents recently.

M. L. Cauble, our molasses maker, has been doing some fine work this season. Mr. Cauble made nearly 200 gallons for himself.

Monroe Peeler and family, of Faith, and Rev. W. W. Rowe spent Saturday night at L. T. Peeler's. Guess they enjoyed the o'possum supper fine.

Communion services were held at St. Luke's Sunday. A large crowd attended.

A number of young folks visited at C. L. Frick's Sunday evening. Patsy was among them and enjoyed the fun very much. If you don't feel like laughing much you had better not be around Charlie for he can make any one laugh.

It seems like the young man who visits at the mill pond, is kinder scared to travel after night, as he goes before sun down and stays till sun up. PATSY.

## CORN SHUCKINGS AND FROST.

Venus is Called Upon for All Kinds of Information and Service.

Rev. C. P. Fisher has returned from Randolph county where he has been holding a series of meetings for Rev. C. M. Fox.

John Bost moved into his new residence October 22nd.

A young gentleman farmer arrived at Mr. and Mrs. John Miller's October 2nd.

Lawson Boger has the largest hog we have seen in this section.

We are having cool weather but no frost to hurt.

Harvey Brown has had his corn shucking, Caleb Hess has had his shucking and Luther Klutz has had his.

We receive a great many letters from people inquiring for information on different subjects. One wants to know where he can get a carpet woven. Another wants to know where he can get a deposit of gold, where he can float a dredge boat to dip up gold bearing gravel. Another writes: "do you know where I can get to keep house for some family where I can do the cooking, washing and ironing." Another says: "Come to the fair at Salisbury, Oct. 29th to Nov. 1st, and bring

your collection of curiosities and let the people see them." Another writes: "Have The Watchman sent to me for one year."

Baxter Raney, the clerk at Raney Brothers & Co's store at Granite Quarry, is at his home here confined to his bed with fever. Lewis Klutz is filling his place at the store.

The Faith millinery store have opened in the McNairy building and are getting in the fall goods.

Solomon Yost was able to walk to the store Saturday.

The county road force, Mr. Carter, superintendent, is making a good road from Faith towards Salisbury.

## Law and Order League Meets.

A meeting of the Law and Order League was held last Friday night at the First Presbyterian church, and a number of matters affecting the moral well being of the city were discussed.

It was decided to prosecute any and all persons known to be violators of the law governing houses of ill repute. A committee was appointed to look after this matter, R. Lee Wright, Esq., being chairman. Others on this committee, which is really the legal committee, are P. S. Carlton, M. F. Hatcher, T. H. Vanderford, Sr., T. G. Furr, J. H. Horah, J. J. Stewart, G. W. Garland, W. B. Smoot and Bismark Cadps.

An anti-saloon league was formed with the following officers: W. B. Smoot, president; P. S. Carlton, vice-president; W. B. Summer-sett, treasurer.

A meeting will be held tomorrow night at the First Methodist church at which the question of arranging for a prohibition election will probably be discussed.

## We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetables.

Made by J. C. Ayer Co., Lowell, Mass. Also manufacturers of HAIR VIGOR, AGUE CURE, CHERRY PECTORAL.

We have no secrets! We publish the formulas of all our medicines.
