

THE CAROLINA WATCHMAN

WM. H. STEWART, Ed. and Prop.
Published every Tuesday at 120 West
Innes street.

Entered as second-class matter Jan.
18th, 1906, at the post office at Salis-
bury, N. C., under the act of Congress
of March 3rd, 1879.

SALISBURY, N. C., Feb. 14, 1912.

The price of oil and gaso-
line is going up. Those ex-
pecting contributions will
please hold their hats.

Judge Ferguson said in his
charge to the jury Monday
that the county commis-
sioners are subject to investi-
gation and indictment just
like other folks who violate
the LAW.

The Statesville Landmark's
attempt to warp and twist a
recent editorial in THE
WATCHMAN on the change of
Judges Ferguson and Allen
by consent of the Governor,
an intimation that they had
entered into a collusion to
save a gang of already con-
victed lawbreakers, was out-
rageous.

How come certain county
commissioners are determined
to over-ride the wishes of
the people in regard to the
construction of a granite
court house that is not need-
ed and could not possibly be
much if any improvement on
the present building? Why
do they want to build it out
of granite? Granite is good
building material all right
and county contracts, espe-
cially where they pay two
dollars for one, are worth
seeking.

If the people want to take
charge of and control their
affairs, see that every capable
man is given his right to serve
on the jury, a right to sell
sound meat, milk, etc., with-
out begging for the privilege,
a right to say whether or not
a new court house is to be
built, the right to keep a dog
on his own premises without
being exorbitantly taxed, the
right to hold an election for
farm-life schools, the right to
recall men who spend two
dollars of the county's money
when a bona-fide contract is
offered to do the same work
for one dollar, and the right
to have the chain gang work
public roads when needed
and where needed, and put
men in office who will enforce
ALL the laws of the land,
they must be getting together
and that quickly.

The Chairman of the
county commissioners and
his pair of "me toos," at the
February meeting paid out
about \$56,500 of the taxpayers,
hard-earned money for a
piece of work they had re-
ceived a bona fide bid on for
only \$28.25. They may try
to set this aside by a mere
wave of the hand, and may
succeed to some extent with
some people, but how often
has this kind of thing occur-
ed and how often are we to
expect it to occur? What
will they do if permitted to
issue \$125,000 in bonds to
build a court house? Get
your ballots ready boys and
let's put them out and put in
a set of men who will repudi-
ate such a bond issue.

minute.

Will you help them?
Doan's Kidney Pills have

use of this medicine keeps me in
good health. At one time I had
a great deal of pain across the

ptoms of kidney complaint bot-

will never forget his terrible ex-
posure to a merciless storm. "It
gave me a dreadful cold," he
writes, "that caused severe pain
in my chest, it was hard for
me to breathe. A neighbor gave
me several doses of Dr. King's
New Discovery which brought
great relief. The doctor said I
was on the verge of pneumonia,
but to continue with the Dis-
covery. I did so and two bottles
completely cured me." Use only

Rev. Noacker to Preach his Farewell Ser-
mon.

On Sunday, February 18th, the
pastor, Rev. M. M. Noacker, will
preach his last sermon in Mt.
Zion church, China Grove, 11 a.
m. Subject of sermon will be
"A Life filled with the Spirit."
At 7 p. m. in Town Hall, China
Grove, subject "What is Expected
of Us?" In the afternoon at 2
o'clock the "Aid and Missionary
Society" together with the Sun-
day School of Mt. Zion church,
will render a "Missionary Pro-
gram." Special music and recita-
tions will be features of the
program. The pastor will mak-
e an address. These services will
close a busy and successful pastorate
at Mt. Zion church of nearly
four years.

Rev. M. M. Noacker will supply
Mt. Zion church pulpit the first
Sunday in March. He expects to
move his family and household
effects to his new field in Kansas
sometime in March.

This conclusion was reached
after a long and careful consid-
eration of the urgent appeals com-
ing from the members of Mt.
Zion church and other friends in
China Grove and vicinity to have
him remain with them.

West Rowan charge, consisting
of Mt. Zion and St. Paul's
churches, is in excellent con-
dition and will continue to grow
in numbers and efficiency with a
good and faithful pastor. The
charge has at this time 850 com-
municant members and 190 un-
confirmed members. The people
represent some of the best in
Rowan county of which any min-
ister may well be proud.

Jacob A. Thomason has decided
to dispose of his farming imple-
ments, stock and household fur-
niture. See his advertisement in
this paper.

Free garden and flower seed can
be had by trading at Brittain &
Campbell's. Read over their ad-
vertisement in this paper and see
what their plan is.

**SEVEN YEARS
OF MISERY**

How Mrs. Bethune was Re-
stored to Health by Lydia
E. Pinkham's Vegeta-
ble Compound.

Sikeston, Mo.—"For seven years I
suffered everything. I was in bed for
four or five days at a
time every month,
and so weak I could
hardly walk. I had
cramps, backache
and headache, and
was so nervous and
weak that I dreaded
to see anyone or
have anyone move in
the room. The doc-
tors gave me medi-
cine to ease me at
those times, and said that I ought to
have an operation. I would not listen to
that, and when a friend of my husband's
told him about Lydia E. Pinkham's Veg-
etable Compound and what it had done
for his wife, I was willing to take it.
Now I look the picture of health and feel
like it, too. I can do all my own house-
work, work in the garden and entertain
company and enjoy them, and can walk
as far as any ordinary woman, any day
in the week. I wish I could talk to every
suffering woman and girl, and tell them
what Lydia E. Pinkham's Vegetable
Compound has done for me."—Mrs.
DEMA BETHUNE, Sikeston, Mo.

Remember, the remedy which did this
was Lydia E. Pinkham's Vegetable
Compound.
It has helped thousands of women who
have been troubled with displacements,
inflammation, ulceration, tumors, irregu-
larities, periodic pains, backache, that
bearing down feeling, indigestion, and
nervous prostration, after all other means
have failed. Why don't you try it?

A Serious Report.
The following clipping, is taken
from the Statesville Landmark:
Charlie Best, a farmer 50 years
old, with a wife and ten children,
living near Organ church, Rowan
county, attempted suicide, it is
alleged, with a shotgun Saturday
morning. Mr. Best had been
battered considerably by rela-
tives over some land and had been
unable to sleep for three nights
Saturday morning early he enter-
ed a small room at his home and
in some way fired a gun. A part
of the load entered his neck, pro-
ducing wounds that are not nec-
essarily fatal.

Deafness Cannot be Cured
by local application, as they can-
not reach the diseased portion of
the ear. There is only one way to
cure deafness, and that is by
constitutional remedies. Deaf-
ness is caused by an inflamed con-
dition of the mucous lining of the
Eustachian Tube. When this
tube is inflamed you have a rum-
bling sound or imperfect hearing,
and when it is entirely closed,
Deafness is the result, and unless
the inflammation can be taken out
and this tube restored to its nor-
mal condition, hearing will be
destroyed forever; nine cases out
of ten are caused by Catarrh,
which is nothing but an inflamed
condition of the mucous surfaces.
We will give One Hundred
Dollars for any case of Deafness
(caused by catarrh) that cannot
be cured by Hall's Catarrh Cure
Sent for circulars, free.

Bloody Crime at Albemarle.

Albemarle, Feb. 12.—One of
the most bloody crimes that has
ever been committed in Stanly
county took place last night at
Kingsville, a negro suburb of
Albemarle. John Harris, colored,
went to the home of Charlie
Christian, colored, and called him
to the door, and without any no-
tice shot him dead. John Harris
had a bundle of clothes under his
arm and when he had committed
the deed made his way towards
the river. Sheriff Forest was no-
tified and caught the negro be-
fore he reached the river and he
is now in jail waiting his trial.
