General Sherman's Letter Home.

"In the Field, Goldsboro, N. C., April 5th, 1865.

It is a general truth that men exposed to the general elements don't 'catch cold,' and I have not heard a man cough or sneeze for three months but were these same men to go into houses, in a mess the doctor would have half of them. Now the doctors have no employment.—Scritner's Magazine.

TERRIBLE ITCHING RASH

CHILDREN SUFFER WHO COULD GET RELIEF QUICKLY.

Try This Remedy at Our Risk. If you have ever seen a child tearing at its face and crying, unable to sleep because of the awful itching rash of eczema, you will be glad to know that this can now be prevented.

All you need is to apply Saxon Salve, our new remedy for skin diseases, which not only always stops the itching quickly but is also wonderfully healing and is as good for grown persons as for children.

Even where the skin is scratched raw, or covered with crusts and scales, Saxon Salve penetrates to the very roots of the disease and destroys the germs, at the same time stopping the itching so that the skin is rendered perfectly comfortable.

Most of the people are opposed to the new \$125,000.00 court house, however some are in favor of it, just because; and some favor it because they deal in building material, granite for instance. We heard one of Salisbury's big men say, spend enough on the present one, fix it up and thereby save the county \$120,000.00. This sounds more like good judgment to most everybody and is exactly what should be done.

We hope when the primary comes off that a good body of men will be in the race for all offices. Get a set of County Commissioners who will consider the people and will go after things just to get their names out on the corner stone of a new court house. There will be a time for all to have our names carved on some kind of a stone, and we venture but few will be set up at the wrong place.

We notice that Morgan Township has weakened and hope that Jos. W. Miller will have good reason to go to Salisbury on the first Monday in each month after the November election.

The chain gang has left our section and we of the mountain country have a fine road but for some reason those below us did not deserve a road so they will still continue in the old rut.
