

Royal Baking Powder

Absolutely Pure

The Woman Makes the Home

She makes it best who, looking after the culinary department, turns her back resolutely upon unhealthful, or even suspicious, food-accessories. She is economical; she knows that true economy does not consist in the use of inferior meat, flour, or baking powder. She is an earnest advocate of home made, home baked food, and has proved the truth of the statements of the experts that the best cooking in the world today is done with Royal Baking Powder.

FAITH.

Nov. 7th.—Mr. and Mrs. B. C. Eagle found their little baby boy dead in the bed by their side yesterday about 4 o'clock. The funeral was conducted at the Lutheran church here by Rev. O. P. Fisher and the little one was laid to rest in the Lutheran cemetery.

Mrs. R. P. Stirewalt is spending a few weeks with her mother near Ebenezzer.

R. P. Stirewalt and his little daughter, the acrobats, have gone to Alabama where they have engagements to perform for several different fairs in that State.

Lewis Klatts showed us the largest hogs we have seen in this settlement.

One of John Corl's twin boys

has three crowns on his head. Who can beat that?

Our first killing frost was on the night of the second of November, 1912. Venus' long handle gourd vines were beautiful and green on the second of November and on the third day were killed and black as a crow.

Little Vera Miller is only eight months old and can walk. Who can beat that?

The public school here is being taught by Prof. D. W. Moose. Miss Myrtle Patterson, Miss Mary Linn, and Miss Cora Pless. They have a large attendance.

Irvin Lingle with Tom Lingle and William Fesperman commenced laying the foundation for a large, handsome, new residence November 6th. His granary is already built and filled with corn and grain. Another new family for Faith.

Work is going on at about all the granite quarries and the times are about as good as they can be.

Democrats Certain to Control Senate

Washington Nov. 7.—Control of the Senate in the Sixty-third Congress now is practically assured to the Democrats. Conceding to the Republicans the Legislatures of all States still in the doubtful column, tonight, the Democrats will have a vote of 48, or one-half of the entire membership of the Senate with a Democratic Vice President in the chair to cast the deciding ballot in case of a tie. Seven States are yet to be heard from definitely. A Senator from any of these would give the Democrats a clear majority and it is possible their strength will be even further increased by winning in several.

Kansas has been added to the Democratic column.

Postoffice For Sale

The following notice was posted on the door of the postoffice at Ennis, Texas, Wednesday morning by Postmaster A. H. Culver, immediately after he read the report of Tuesday's election:

"For Sale: One postoffice in good condition; no Republican need apply."

PRESCRIPTION

For a Long Life.

This is the prescription for a long life given by an old gentleman in Connecticut, who is ninety-nine years old and still well and cheerful. "Live temperately, be slow to anger, don't worry, take plenty of exercise in the fresh air, and, above all, keep cheerful."

Should the system get run down—digestive organs weak—the blood thin and sluggish, take Vinol, which is a delicious combination of the medicine—body-building properties of cods' livers, with the useless grass simulated and tonic iron added. We regard Vinol as one of the greatest body-builders and strength-creators in the world for aged people.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, you would be unable to supply the demand; it is the finest tonic and strength-creator I ever used."

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction.

P. S. If you have any skin troubles try Sazo Salve. We guaranteed it. Smith Drug Co., Salisbury, N. C.

Nature's Way Is The Best.

Harvested deep in our American forest we find bloodroot, queen's root, mandarin and stone root, golden seal, Oregon grape root and cherry bark. Of these Dr. R. W. Pierce made a pure glyceric extract which has been favorably known for over forty years. He called it "Golden Medical Discovery."

This "Discovery" soothes the head and tones up the stomach and the entire system in Nature's own way. It's just the tissue builder and tonic you require when recovering from a hard cold, grip, or pneumonia. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body. The weak, nervous, run-down, debilitated condition which so many people experience at this time of the year is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue."

"More than a week ago I was suffering with an awful cold in my head, throat, breast and body," writes Mr. James G. Kirt, of 710 L Street, S. E., Washington, D. C. "Some called it La Grippe, some pneumonia. I was advised by a friend to try a bottle of your 'Golden Medical Discovery.' I tried a bottle and it did me so much good that I feel safe in saying it is the greatest and best medicine that I ever took. My health is much better than it was before using your medicine. It does all you claim for it and is satisfactory."

J. G. Kirt, D.D.
