Many noted pencil pushers from all over the State are here today, and the "boys" are seeing the sights at the Southern's big shops at Spencer this afternoon. They will be given an outing to Whitney tomorrow evening. After they see what Salisbury has they will no doubt agree that "Salisbury's the place." Besides extending to one and all a most cordial welcome, here's hoping the boys will have a ga-lorious time Washington building, is to be while in the city and are invited to make themselves at home in THE WATCHMAN shop.

Are You Blue and Worried?

Nervous P Some of the time really iil? Catch codi casily and frequently suffer from biliousness or headache? The reason is that your system does not rid itself of the poisons in the blood; just as impossible as it is for the grate of a stove to rid itself of clinkers. The waste does to us exactly what the clinkers do to the stove; make the fires burn low until enough clinkers have accumulated and then prevent its burning at all. Your Ever is sluggish-you are dell and heavy-sleep does not rest, nor is food appetizing. In this condition illness develops. Dector Pierce's Golden Medical Discovery eradicates the poisons from the body-a glyceric alterative extract made from bloodroot, golden seal and mandrake root, stone and queen's root, without the use of elechol. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in conse-
