 3rd, 1879.

Salisbury, N. C., Nov. 10, '15.

A Salisbury brewery would do more to advertise the town than most anything that could be established here, that is, if advertising is the only thing desired.

Our old friend Col. Wm. Jennings Bryan is expected to be in Salisbury and deliver an oration on the night of the 18th. At least so it is reported.

The State loses \$60,000 in the Raleigh fire. How come the State carries a stock of paper like this? Printers at other places are glad to carry the stock to get the work. This State printing game is one of the most useless and wasteful appropriations the State makes.

There are a lot of newspapers in this country like sheep. Their editors would throw a fit should they discover an original idea meandering about in the vast vacuum bulb carried aloft. We haven't much over a dozen newspapers in the State, the balance being Me-Too's.

Of course every one sympathizes with the News and Observer in its big loss by fire Saturday. This is the second heavy loss sustained by the Observer, but it, like the big paper that it is, has not missed a issue. It takes the very best kind of grit to go ahead under such adversities, but Phoenix like the Observer comes out of the ashes each time stronger and more determined than ever.

 The Quinine That Does Not Affect The Head
 Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness or ringing in head. Remember the full name and look for the signature of E. W. GROVER, 25c

In speaking of Congressman Oland Kitchin's position relative to President Wilson's program of preparedness for war, The Charlotte Observer says "A leader out of harmony with the views of the President on so grave a question would be a misfit," but our neighbor fails to tell us of the consequences when the President is out of harmony with the leaders of the party. Mr. Wilson was out of harmony with about 95 per cent. of the party when he vetoed the immigration bill, and, if he lives up to the rule laid down then, he must have all legislation wait till the party or the people unanimously demand action.

**HUSBAND RESCUED
 DESPAIRING WIFE**

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Patron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side. The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

Get rid of Those Poisons in Your System!
 You will find Dr. King's New Life Pills a most satisfactory laxative in releasing the poisons from your system. Accumulated waste and poisons cause manifold ailments unless released. Dizziness, spots before the eyes, blackness and a miserable feeling generally are indications that you need Dr. King's New Life Pills. Take a dose tonight and you will experience grateful relief by morning. 25c.

Invigorating to the Pale and Sickly

Mr. Owen Stands Well
 Chambers R. Owen, who took the civil service examination in Salisbury, March 15th, for departmental clerk as stenographer in Raleigh, stood at the head of the eligible list for North Carolina, having just received such notice from the Civil Service Commission. Mr. Owen made 100 on arithmetic, 92 on spelling, a dan average of 82 points on a total of six subjects. This does not assure him of an appointment, but causes him to be very hopeful. Mr. Owen has always maintained records when standing these examinations and he has many friends here who hope he will get an appointment at an early day.
