Dollar Day
 THE WATCHMAN and RECORD's dollar day is Saturday, November 27th. This is the biggest offer ever made in Rowan County for a home paper and it's up to those who have received notice to take advantage of the very liberal proposition made.
 This offer leaves no room for argument about dates, arrearages, etc., but cleans up everything and puts you one year ahead for both papers. Come across promptly and we will both be made happy. Remember Saturday, November 27th. Our office is up stairs.

No Special Privileges to Greece
 Confusing Reports From the Balkans. Tensions Making Progress but Very Slowly.
 London, Nov. 23.—Instead of declaring a general blockade of the Greek ports, the Allies have, according to a statement issued by the British Foreign Office today, withdrawn, or threatened to withdraw the special privileges which Greek commerce has enjoyed since the outbreak of the war.
 What these special privileges are is not specifically stated but as an example Greece has been allowed to draw her supplies of coal from Welsh collieries. To do this, Greek merchants required special permits, as the exports of coal from the British Isles is allowed only under a special license.
 There are many other commodities, the export of which is permitted only to certain countries. Invariably when orders have been issued against the exports of such commodities Greece has been among the countries excepted. Now, unless she concedes the demands made by the Allies for assurances for the safety of their troops in the Balkans, Greece will be struck off the list of countries which have these privileges.
 While this less vigorous attitude on the part of the Allied Governments has caused some dissatisfaction in quarters where strong measures are advocated, it has eased the situation, and the belief now prevails that Greece, having been impressed by Lord Kitchener's visit and the threat to her commerce, will concede the demands.
 Of the fighting in the Balkans the reports are more confusing than ever. The German accounts still claim progress for the Austro-German and Bulgarian troops and recount the capture of thousands of prisoners and many guns from the Serbians. But from the towns mentioned their advance appears very slow. It may be as reported from Italian sources, that the campaign is waiting on a change in the disposition of the armies, so that the Germans may be the first to enter Monastir. This would avoid the trouble likely to arise through Greek objection to Bulgarian occupation of the city which is near their border.
 Dispatches from Athens, however, state that the delay is due to the fact that the Serbians have defeated the Bulgarians who were advancing on the town and that the Serbians have reconquered their front on the Velestina line. Perhaps the real reason for the slowness of the invaders' progress arises from difficulties of transport.
 Nothing of importance has occurred on the other fronts. The Austro-Germans, according to Russian reports attempted an offensive in Galicia and actually moved some advanced guards across the Strips but since then no news has been received, the Germans apparently not considering the operation worthy of mention in their official report.
 In the West the artillery is still active and the arrival of clear, cold weather may make possible an offensive movement by one side or the other. The Germans are reported to have brought large reinforcements to Flanders but whether for offensive or defensive purposes time alone will tell.

Aided German Ships
 German Naval Attaché Charged With Playing Conspiracy Head Role.
 New York, Nov. 23.—Capt. K. Boy-Ed, naval attaché, with headquarters at the German embassy in Washington, played a leading role, according to witnesses in Federal court here today in the alleged conspiracy of several Hamburg American steamship line officials to deceive and defraud the United States by sending neutral relief ships with supplies to German men of war.
 One of these witnesses swore that Capt. Boy-Ed personally directed the expenditure of approximately \$750,000 which, uncollected, had been deposited in a New York bank in September, 1914. The witness testified that \$350,000 of this money was telegraphed to the Nevada National Bank at San Francisco; \$218,000 was paid, in several amounts, to the North German Lloyd Steamship Line here; about \$75,000 to the Hamburg American Line here and by cable money order in Hamburg and some of the remainder was still on hand. All of these disbursements, this witness asserted, were made by order of Capt. Boy-Ed.
 Distress in the Stomach.
 There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padgham, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time."

Our Semi-Weekly
 THE CAROLINA WATCHMAN is published on Wednesday and THE ROWAN RECORD on Friday of each week and, so far as news and service is concerned, admirably answers the purpose of a semi-weekly. They give you all the county news, specially prepared for their readers, condensed so that you can get the facts without having to wade through columns of childish prattle, and arranged so that you can read the home news at a glance, which is given not only the preference but correctly. These things, in addition to the fact that it is a home newspaper, owned by home people, employs home people and stands for a square deal for home people, regardless of loss or gain, should cause every loyal son of the county to make it his business to subscribe for them first, last and all the time. We are giving from now till January 1st free to all who subscribe now and pay \$1.00 cash, which will pay up to January 1st, 1917.

Catarrh and Colds
 To Be Rid of Relieved Catarrh
 Is a great achievement. Most people would be well and happy were it not for catarrh. It is worth ten years of any one's life to learn how to get rid of catarrh.
PE-RU-NA
 will show you, much quicker than any one could tell you, how to get rid of catarrh.
 THE PERUNA CO., Columbus, Ohio
 Mrs. Emma Gannon, 107 E. South St., Kewanee, Ill., writes: "For fifteen years I had catarrh of the head and stomach. I could hardly walk. My attention was called to 'The Ills of Life.' I read it through. Then I bought a bottle of Peruna. I am entirely well now."

SOME OF ROWAN'S OLD FOLKS.
 We are still getting names for our old folks column and filling in the dates of birth of others and making slight corrections. Any aid extended will be appreciated.
 If you know of any person in your neighborhood who is 80 years old, or older, drop us a postcard giving the name and date of birth. We believe there are over a hundred folks in Rowan eligible to this list and we would be glad to have their name at once.
