ORGAN CHURCH

Three young men, one from near Faith and two of the Organ Church neighborhood, went hunting last Tuesday. They killed and caught fourteen rabbits, two squirrels, three larks and two opossums, weighing 6 and 8 pounds. Now Bro. Venus if you can beat that trot out your men. As to the number of dogs ask Louise.

C. W. Harrington visited at Mrs. Ellison Sifford's last Saturday. Come along Uncle Bill and give us the news of your community.

Misses Emma Bost and Flor eboe Weaver are contemplating going to Kannapolis to work.

Christmas exercises at Organ Church Christmas day at 10 o'clock. They are going to have some fine exercise. Everybody is invited to come out to hear them.

SALLY.

SECOND CREEK AND DUNN TOWN.

Dec. 19.—The farmers around here are about done gathering their crops.

James Goddy had a corn shucking Thursday afternoon.

Capt. Kenerly has his force of prisoners sand-claying the road from Second Creek to Myers' Cross Roads.

The bridge over Second Creek will soon be done and ready for travel. It is 800 feet long and is the largest bridge in the county. It will take the place of the old wooden bridge known as Ghem's Bridge.

James Gentile has moved onto the Barnhardt place.

Mrs. Livengood has moved onto Calvin Harrison's place.

James Marvey, who has been working in a cotton mill in Concord for the past twelve months, has moved back into our community.

Carl Miller has built himself a new house and has moved into it.

John Bringle, our butcher man, has built a new house and has had it painted.

Clyde Jones has had his residence painted.

James Wood has had his house moved back from the road and is having a chimney built to it.

Walter and Floyd Kincaid have threshed lots of peas with their gasoline thrasher this fall.

Stokes Barger made 70 bushels of peas. Stokes lives on the Joe Mingsue farm and is a good farmer.

The ladies of the community gathered at the home of Lindsey McIntyre last Friday and had an old fashioned quilting. Lindsey is a bachelor and lines all by himself. The kindness of the women folks was much appreciated by Lindsey.

There will be a Christmas tree at G. W. Chapel some time during Christmas week, probably on the night before Christmas.

OLD TIMER.

Laughter Aids Digestion.

Laughter is one of the most healthful exertions; it is of great help to digestion. A still more effectual help is a dose of Chamberlain's Tablets. If you should be troubled with indigestion give them a trial. They cost a quarter. Obtainable everywhere.

FAITH.

Dec 11.—H. L. Owen of Morgan Township has just come up to Faith after a pair of mill stones that J. T. Wyatt sold him. Curtis Baster Wyatt came along. While here they looked at the curiosities of Venus, and saw some of the fine granite quarries, something new to them. Mr. Owens is putting up a corn mill to grind bread meal for the public and will grind for the old time toll.

Charles Peeler is selling out everything in his store.

J. D. A. Fisher is still having strawberries from his garden.

Lewson Ludwick come down and did some repairs on his residence for his renters.

Venus wants to buy an old time doll baby to put in his collection, and a tall old time bedstead, the kind that had curtains around it.

Fisher & McCombs have just got another rush order for a lot of mill stones to go by local freight. Big crops of corn all over the United States are calling for mills to grind it.

Saturday evening, December 11th, it rained, sleeted, hailed and snowed, and on Sunday morning Faith was all under our first big snow of the season. The roads were dry and dusty when the snow fell. Monday morning the sun is shining bright and the snow is fast melting away.

Venus visited the free school at Faith the other day and found the school committee there making arrangements to have more seats made. There are two hundred and eighty pupils.

John Wilkerson of Faith, who butchers for the people, has killed thirty hogs and has been called on to kill fifteen more. Who can beat that for one man?

Walter Rainey is confined to his bed with pneumonia.

J. T. Wyatt received an order today for two pair mill stones.

Venus is going to write a sketch of his life during 1916.

Last night Venus was sailing through the air in the presence of thousands of people who had gathered expressly to see him sail around and they came from all directions, far and near. Thousands and thousands of people. Then we woke up and found it all a dream. Did any one else ever have a dream like that. One time we dreamed of falling in a well and when we struck the bottom we nearly bounced out of bed.—Evidently Venus has been eating too much fresh pork.—Ed.

Lewis Peeler is receiving lots of toys of all kinds for his holiday trade, as well as Rainey, Jesse, and Peeler & Barger, Pleas, Holmhouse, Calvin Lingle and Ohas Peeler. All expect a big holiday trade this year.

Why You Should Use Chamberlain's Cough Remedy.

Because it has an established reputation won by its good works.

Because it is most esteemed by those who have used it for many years, as occasion required, and are best acquainted with its good qualities.

Because it loosens and relieves a cold and aids nature in restoring the system to a healthy condition.

Because it does not contain opium or any other narcotic.

Because it is within the reach of all. It only costs a quarter. Obtainable everywhere.

President and Mrs. Galt Marry December 18

Washington, Dec. 4.—Extreme simplicity will be observed at the wedding of President Wilson and Mrs. Norman Galt, which the White House announced today will be solemnized December 18 at the home of Mrs. Galt here. The arrangements have all been made.

The President will have to best man at the wedding and Mrs. Galt will not formally select a maid of honor, although one of her sisters, Miss Bertha Bolling of this city will attend her during the ceremony. It was announced at the White House that only members of the two families and the President's immediate household would attend the wedding and that no formal invitations would be issued. This surprised official Washington, as it had been expected that at least a few of the President's friends would be invited.

The Rev. Herbert Scott Smith, rector of St. Margaret's Protestant Episcopal Church here, which Mrs. Galt has attended in recent months, has been tentatively selected as the officiating clergyman, although it is possible that the Rev. Sylvester Beach, pastor of the President's church in Princeton, may assist. The president is a Presbyterian.

Owes her Good Health to Chamberlain's Tablets.

WORDS FROM HOME

Statements That may be Investigated. Testimony of Salisbury Citizens.

When a Salisbury citizen comes to the front, selling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Salisbury resident. No stronger proof of merit can be had.

M. B. Seal, 424 E. Kerr St., Salisbury, says: "I have found Doan's Kidney Pills to be just the thing for backache. I frequently had severe attacks of lumbago when I could hardly move on account of the sharp catches across my loins. Whenever I feel any trouble like that, I take a few doses of Doan's Kidney Pills and they never fail to help me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Seal had. Foster-Milburn Co., Props., Buffalo, N. Y.
