Something over fifty work-

toll bridge at the Yadkin

bought up around there and

not be long before a typical
mill village will be there.
This village is to be known
as Yadkin and the location
is a splendid one.

DEWITT SPEAKS IN SALISBURY.

Praised National Democratic Party and its
Leader.

For two hours Monday North
Carolina's next Governor en-
tertained a court room com-
fortably filled with Rowan people.
His speech was almost entire-
ly in praise of the National Dem-
ocratic party and its leader.

He spoke not a word about
State issues, dismissing that
subject with the simple state-
ment that no one was dreaming
that the people were thinking of
turning this State over to the
Republicans.

He exhonerated Roosevelt
from blame for the panic dur-
ing his administration and did a
like service for Cleveland, plac-
ing the blame for these and other
money scares on defects of the
money system that was enacted
as a war measure in sixty three.

He charged the Republicans
with the sin of perpetuating
this system after its defects be-
came apparent.

That peace and prosperity ab-
ounds in America now was at-
tributed to the fact that a Divi-
sion of justice rules in Wash-
ington.

In justification of Mr. Wilson's
charges, the speaker said when
he was wounded on the North
by yellow jackets, on the East by
rattlesnakes, on the West by
man-eating sharks, and on the
South by hellfire and damnation,
he has to make some lightning
changes in his position or he
would soon have no position to
change.

Every change of the President
was made in the interest of the
honor, peace and prosperity of
the American people.

He explained in detail the
working of the Federal currency
law and other laws of the re-
cent Congresses, and claimed
that this is the first time since
Lincoln that the people have
been in the saddle.

Manning Defeats Bleas.

Columbia, S. C., Sept. 12.—In
one of the most sensational fights
for the governorship since the
days of "Pitchfork Ben" Till-
man's activities in the Palmetto
State, Cole L. Bleas former
Governor for two terms, was de-
feated today in his aspirations for
a third term by the present Gov-
ernor, Richard I. Manning of
Sumter, S. C. Striking a lead
early in the evening, with the
first official returns from various
parts of the State of about 5,000
votes, Governor Manning main-
tained this lead all through the
evening hours.

Bleas at midnight admitted
defeat. It is understood that
thousands remained on the streets
and at various offices until the
last available returns were in.

Nearly a decade returns late
night will be a clean-cut vic-
tory for Manning by a majority
estimated at between 5,000 and
7,000 votes.

With about 129,000 votes re-
ported out of a registration of
more than 150,000, the
figures give Manning 67,467 and
Bleas 62,533. It was confidently
asserted that the boxes still to be
heard from could not change the
result.

suddenly and it is of the greatest
importance that they be treated
promptly. Consider the suffering

Wilson Takes a Personal Interest in the Mexican Negotiations.

New London, Conn., Sept 12.—
President Wilson lent his per-
sonal touch today to aid the
efforts of the American-Mexican
joint commission in seeking a
permanent foundation of sym-
pathy and understanding upon
which may rest the future rela-
tions of the United States and
Mexico.

Putting aside for an hour his
own cares and his vigil at the
bedside of his sister, who is dy-
ing, Mr Wilson exchanged calls
with General Carranza's repre-
sentatives. It was the first time
during his Administration that
Executive had dealt personally
with a representative of the
Mexican defacto Government
and the significance of this fact
was not lost upon either the
American or Mexican commis-
sioners. For the first time also
representatives of General Car-
ranza received directly from the
man in whose hands perhaps
lies the fate of their country his
statement of sympathy with the
aims of the revolution which has
torn Mexico.

The regeneration of the strick-
en Nation must come from with-
in, Mr. Wilson said, and, in an-
swer for his colleagues and him-
self, Luis Cabrera, Carranza's
Minister of Finance and chair-
man of the Mexican delegation,
asserted that his country was
struggling toward the light of
free and democratic government.

Mr. Wilson laid great stress,
it was learned, on the point as to
the present conference upon
which both Secretary Lansing
and Secretary Lane centered
their remarks at the first meet-
ing of the commission in New
York, the protection of Ameri-
can lives and property in Mexi-
co.

The President said he hoped
the commission would be suc-
cessful in finding a solution for
its problems which would insure
the security of Americans, not
only along the border, but in any
part of Mexico.

Regular Army Rules.

With 300 men in uniform living
the active life of a military en-
campment Camp Leo Overman, at
the Fair grounds, has been an
interesting place for visitors since
Monday. The teams of Wood-
men of the World from North and
South Carolina comprising the

were present besides the regular

the men.

L. Mather of Omaha, assistant

the call to turn in at night.

The companies held an exhibi-
tion drill on the streets of Salis-
bury Tuesday night and will hold
another Thursday afternoon.

Thursday night in the open air
at the camp three hundred or
more new members are to be in-
itiated. This open air initiation
is something entirely new for
secret orders and will be handled
under the care of Gen. E. B.
Lewis who is representing the
Sovereign camp at this encamp-
ment.

Will Raise \$20,000 for Albemarle School.

The election of Roy J. C
Shivers, president of the Al-
bemarle Normal and Col-
legiate Institute was an artifi-
cially induced by a meeting of
Presbytery at its meeting at
Queen's College last week
the determination of \$20,000 to
be a direct grant of the trust. S
to raise \$20,000 to put the
school on its feet. This money
was also heard of at the
board and Rev. Shivers. In
the estimation of Presbytery,
the Albemarle school is doing
a very fine and lasting
work by Stanley County in
educating girls and the young
women at a moderate cost.
The report of the institution
made Wednesday by Secy
Huneycutt.

a case going up from the county
court, whose judgment of \$4 and

The grand jury yesterday af-
ternoon returned true bills for
murder against Manse Jones alias
Will Jordan and John Young alias
Strong, both colored, for murder
of John Jones alias Newton Mc-
Cracken, on June 17, 1916.
McCracken, is the negro who
was shot and killed on No. 45,
the afternoon southbound local
train, just this side of the Yad-
kin river when a party of negro
laborers were returning to their
homes in South Carolina from
Virginia and a shooting scrape
started in the car in which they
were riding.

The court was taken up this
morning with the trial of Will
Jordan, one of the men charged
with having killed Newton Mc-
Cracken, the other man not hav-
ing been captured. Judge Car-
ter assigned Messrs. Chas. Cog-
gin and Benj. McCubbins to
defend the prisoner. These
made a hard fight for their man
and Mr Coggins in this case
made his initial speech to a jury,
which was a splendid effort.

The case went to the jury at
adjournment for noon.

Larry Lindsay, Chief of Police at Draper, Kills "Tom" Murphy of Spray.

Spray, Sept. 11.—Yesterday late
in the afternoon, another tragedy
was enacted near here in which a
Spray man played a part. Harry
Lindsay, chief of police of Drap-
er, shot and killed instantly
Thomas Murphy of Spray. Ac-
cording to reports, Murphy in
company with Nicholas Martin
and Charlie Martin were seen
driving through Draper, singing
and apparently somewhat under
the influence of whiskey, when
they passed Lindsay, who decided
upon arresting them. Mounting
a bicycle he undertook to overtake
them, but failing in this and
having an opportunity to use the
Spray-Draper jitney bus, this
was done and they were soon
overtaken. In the effort to make
the arrest, in some way Murphy
was killed. The coroner's inquest
is now in progress. The shoot-
ing occurred about midway be-
tween here and Draper and has
created considerable excitement.
Murphy is represented as having
been a quiet man. The funeral
will take place tomorrow.

Keeping Yourself Well

DRIVING OUT CATARRH
If people know how the presence
of catarrh is a constant menace,
they would have none of it. It
infests some part of the delicately
adjusted body and makes many
times throwing on the other organs
more than their share of work. It
affords a carefully prepared medi-
cine for the germs of colds, grip,
tuberculosis and pneumonia. It so
disarranges Nature's delicate plans
as to make possible asthma, hay
fever and other respiratory dis-
orders. It spreads until it becomes
systemic, and debilitates the entire
system with serious results.
Catarrh is easily neglected, and
it rarely gets well of itself. It
needs proper medical attention.
For almost half a century many
thousands have found help in Per-
una, a valuable tonic with special
efficacy in catarrhal conditions.
The aim is to clean out the system,
to dispel the catarrhal inflamma-
tion, and tone up the whole sys-
tem. It is used willingly, testify
that it has done all this and even
more for catarrh and its attendant
illnesses. What it has done is the best
proof of its value. You may rely on
