Mr. Davis Report.

Rev R L Davis, superintendent of the State Anti Saloon League, has issued a statement giving the history of the prohibition legislation which the Legislature failed to enact. Not one of the measure championed by the Anti-Saloon League got through. The bill to make blockading a felony, which was not presented by the Anti-Saloon League but which the League people supported, was the only State law passed affecting the liquor traffic.

According to the report of Mr. Davis, "our cause suffered because leaders of influence were not active for it while the activity of the opponents was present and emphatic." A good many members, he says, "stood ready to give us their vote, and to that extent their support, but further than this they were not willing to go"; while "very few, if any members of the General Assembly stood ready to champion our cause."

Coming down to facts and figures Mr. Davis lays the blame on Speaker Murphy for the failure of many of the measures while Senator Burgwyn of Northampton and others are also blamed. Mr Davis however, sees hope for the cause in the passage of the "bone dry" bill by Congress. Statesville Landmark.

We have noticed a number of public roads that are getting in a real bad condition, for lack of work, and will soon go to the bad if many heavy rains prevail and the ditches are not opened to carry the water. Now that the winter is over we think our floating road force should break winter quarters and give us some real good benefits for the comfortable quarters and sweet repose they have enjoyed this winter.

WOMAN NOW IN PERFECT HEALTH

What Came From Reading a Pinkham Advertisement.

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies as they have made me well and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the aforesaid ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles as they did me."—**Mrs. ELSIE J. Shake Off That Grip

When Spring comes, with its changeable weather and your exposure, it is best to clear away all the symptoms left after an attack of grip.
