Betsy Ross designed the American flag. George M Cohan made it famous—Advertisement.
Who ever heard of George M Cohan before? Silly stuff.

We have just received with the compliments of Fairfax Harrison, president of the Southern Railway, a handsome volume entitled "The Floods of July, 1916, How the Southern Railway Organization Met an Emergency," and is dedicated "To the 'Man on the Job' by F. H."

True religion seems to be getting farther and farther away from its origin and is year by year becoming more of a machine made affair. You must hold a certificate now to teach the shorter catechism. You can be most anything, but the certificate is the stamp that fixes your standing.

Charlotte has just adopted the commission form of government and Durham has just decided not to adopt it. The whole matter of government rests upon the honesty of the public servants. If they are honest and capable any kind of an old government is O. K., otherwise graft and incompetency will be found in any and all varieties.

Federal Court in Session.
Federal Court with Judge James E Boyd presiding and District Attorney W C Hammer prosecuting, is in session here this week.
James Baily and son charged with blockading, were tried and found guilty. The boy was given a year in the reformatory at Washington, D. C., and the elder Baily, was fined \$100 and given a year in the penitentiary at Atlanta, but was permitted to remain at home until November under a \$200 to raise a crop.
Several cases against the Southern Railway for neglecting stock being shipped over its lines were heard and the minimum fines of \$100 in each case was imposed.
The case against Robert Farlow, charged with assisting in the robbing of the Spencer post-office, and implicated in the robbery of the Mocksville office was postponed and will be heard in Greensboro in June.
The court is still in session to day.

There was a well attended meeting of the local Red Cross in the old court house last week when committees were appointed to begin active work whenever and wherever it may be needed.

The city aldermen held a meeting Friday night and, outside of the regular routine, transacted the following business:

A petition was presented from certain property owners asking that a paving district be set apart on South Fulton street extending from the old city limits to the point where Fulton intersects Main south of the cemetery. This will be known as district No. 4.

It was agreed that approximately \$75,000 of street improvement bonds be advertised for sale, bids for the same to be opened May 24th at 8 p. m.

Boy Accidentally Shot at Rockwell.

Lee Miller, about 18, son of Berry Miller of Rockwell, was accidentally shot in the bowels Monday afternoon. Lee and Hoy Fesperman, son of B A Fesperman, were handling rifles and having gotten out of order they were making an effort to fix them when the one in the hands of Hoy Fesperman was discharged and the ball entered Lee's hip and passed through his intestines, making a number of perforations. Lee was brought to the hospital here for treatment, and though he is seriously injured some hope for his recovery is entertained.

In Memoriam.

Washington Camp No. 31 P. O. S. of A., P A Peeler born October 17th, 1863, died April 9th, 1917.

Whereas, our ranks have been invaded by death, and another of our beloved members has been called from his earthly labor, to fields of greater usefulness, in the life beyond, and whereas we feel the loss most keenly on account of the friendly and helpful disposition of our departed brother, be it

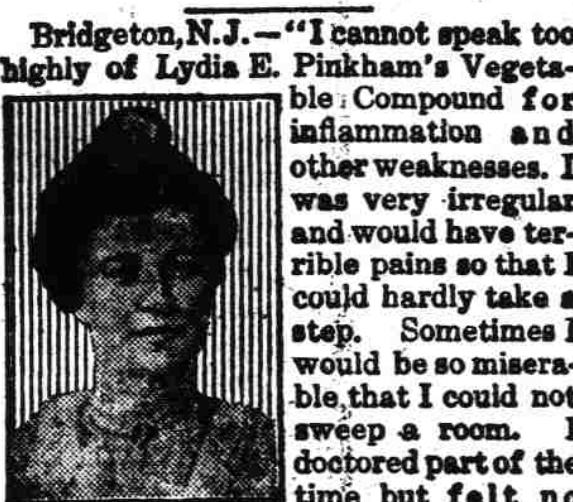

Resolved, That we extend to the bereaved family our kindest sympathy and assure them that he will ever be remembered as one who took his part manfully in the promotion of our principles which he loved and upheld so well. As a citizen and friend his smiling face and cheering words were always an inspiration to those with whom he came in contact and we cannot but feel that the world is better for his having lived in it.

Resolved, that we insert these resolutions in our county paper, that they be spread on the minutes of our beloved Order and a copy presented to the family of our deceased brother.

Respectfully submitted,
Jno. D. A. Fisher,

NOTICE TO SICK WOMEN

Positive Proof That Lydia E. Pinkham's Vegetable Compound Relieves Suffering.

Bridgeton, N. J.—“I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound for inflammation and other weaknesses. I was very irregular and would have terrible pains so that I could hardly take a step. Sometimes I would be so miserable that I could not sweep a room. I doctored part of the time but felt no change. I later took Lydia E. Pinkham's Vegetable Compound and soon felt a change for the better. I took it until I was in good healthy condition. I recommend the Pinkham remedies to all women as I have used them with such good results.”—Mrs. MILFORD T. CUMMINGS, 322 Harmony St., Penn's Grove, N. J.

Spring Colds Are the Worst

They lead to catarrh and pneumonia. They weaken the entire system and leave it unable to resist the sudden changes. They interfere with your digestion and lessen your activity. Neglected they soon become that dread disease known as systemic catarrh. Don't neglect them. It's costly as well as dangerous.

PERUNA Will Safeguard You

Have a box of Peruna Tablets with you for the sudden cold or exposure. Tone your system up with a regular course of the liquid Peruna, fortify it against colds, get your digestion up to normal, take care of yourself, and avoid danger. If you are suffering now begin the treatment at once. Give Nature the help she needs to throw off the catarrhal inflammation, and again become well.
Peruna has been helping people for 44 years. Thousands of homes rely on it for coughs, cold and indigestion. It's a good tonic for the weak, as well.
