Nifong's three sons, Walter, David and Otha, having been drafted for the army, refused to serve and armed themselves against arrest saying they would resist unto death. The posse arrived a little before day and rushed into the house capturing all before they could dress. Three double-barreled guns with a supply of shells loaded with large shot and four revolvers with three hundred shells were found in the room and confiscated. The elder Nifong and his boys were taken to Lexington where the father was given a hearing and placed under a \$1000 bond for his appearance at the next term of the Rowan Federal court. **LIVER DIDN'T ACT  
DIGESTION WAS BAD**

**Says 65 year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.**

Meadorsville, Ky.—Mrs. Cynthia Higginbotham, of this town, says: "At my age, which is 65, the liver does not act so well as when young. A few years ago, my stomach was all out of fix. I was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was gone. I was very weak... I decided I would give Black-Draught a thorough trial as I knew it was highly recommended for this trouble. I began taking it. I felt better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the least trouble was soon righted with a few

**Heat Records in the Northeast are Broken.**

Washington, August 6.—High temperatures records that have marked the limits of heat waves during all the period of official observation in the northeastern quarter of the United States were broken today. Washington and Baltimore, by weather bureau thermometers, experienced a temperature of 106 degrees, a point not even approached by the mercury since 1881, and not reached then. In Detroit, Mich; Harrisburg, Ia., Toledo, Ohio with temperatures of 104, new records were established, as did Scranton, Pa., and Cleveland, Ohio, which each officially registered 100.

These were the finding of the instruments in the weather's minarets. Instruments set closer to the baking pavements of the cities showed the mercury mounting to heights unbelievable and impossible. On Pennsylvania avenue in the national capital one of the weather bureau's instruments during the day marked 114 degrees.

**Don't Blame the Child.**

Don't scold your children for lack of control over the kidney secretions. It is not always the children's fault—in many cases it means weak kidneys and can be readily righted. Read this Salisbury parent's advice.

D W Morris, 801 N. Fulton St, says: When my child was about two years old it had an attack of kidney trouble. The child's kidneys were weak and the secretions were scanty. The trouble became worse as time passed. Finally I gave the child Doan's Kidney Pills and it certainly was wonderful how Doan's helped it and in a few days had the kidneys regulated and the child felt and acted like itself again."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr Morris had. Foster-Milburn Co., Mfrs, Buffalo, N. Y.

Two pretty girls at Crescent, from Mt Pleasant were Misses Elizabeth Foil and Thelma Seaford.

Mrs B E Wilson, Miss Annie Hopkins and Miss Lillie Watts of Watt's cross roads, were at the Crescent picnic.
