Since these letters were written peace has been announced and the boys will all be coming home soon safe and sound. GEORGIA FARMER TELLS OF BIG GAIN.

Had Been Losing Rapidly for Many Months—Gained Twenty-Six Pounds Since He Began Taking Tanlac.

"I am in better shape every way than I have been before in many months, and have gained twenty six pounds in weight besides since I began taking Tanlac," said M. G. Brown, a well to do farmer living on route 3 out of Sparta, Georgia.

"When I began taking Tanlac I had been suffering for months with nervous indigestion and other troubles," he continued. "My appetite went back on me and my stomach was in such a shape that every thing I ate made me miserable I could hardly sleep at night and I fell off in weight and strength until I hardly knew what to do. Nothing I tried helped me any and I was going down hill rapidly.

"The outlook is more favorable to me now! I started taking Tanlac a while back and it helped me right from the start. I have taken five bottles so far and there's a world of difference in my feelings. I can sit down and eat as heartily as if I had never had a day's sickness. My nerves are as steady as a rock, I sleep like a log at night and have gained twenty-six pounds in weight and can do as big a day's work as anybody."

Tanlac is now sold exclusively in Salisbury by the Smith Drug Co., in Cleveland by J A Lyerly, in Granite Quarry by the Brown Drug Co., and in Spencer by the Rowan Drug Co. Adv.

The Watchman and Record will be \$1.50 after January 1st.

A Jitney Service Wanted.

A petition, addressed to the board of aldermen of both Spencer and Salisbury, regarding a jitney service between the two cities is as follows.

We the undersigned citizens of Spencer, Salisbury, and vicinity, respectfully ask your honorable body to repeal any and all restrictions there may be on record, or license, if any, regulating the operation of a jitney either in Spencer or Salisbury, between the two towns. If you cannot consistently remove all restrictions, then we respectfully request that you make the lowest rate possible for license for a jitney service.

The Watchman thinks this a very reasonable request and if the petition is signed by a majority of the voters of the two towns, it should be granted forth with, in fact no such obstructive ordinances should be enacted unless a majority asked for it. You know this is a government by the people, for the people and of the people and what ever a majority wants, they get it.

THE JOY OF MOTHERHOOD

Came to this Woman after Taking Lydia E. Finkham's Vegetable Compound to Restore Her Health

Ellensburg, Wash.—"After I was married I was not well for a long time and a good deal of the time was not able to get on my feet. My husband was to have a child in our home one day my husband came back from town with a bottle of Lydia E. Finkham's Vegetable Compound and wanted me to try it. It brought relief from my troubles, housework, we now have a little one, all of which I owe to Lydia E. Finkham's Vegetable Compound."—Mrs. O. S. JOHNSON, R. No. 3, Ellensburg, Wash.

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in most cases would readily yield to Lydia E. Finkham's Vegetable Compound.

Such women should not give up hope until they have given this vegetable medicine a trial, and for special advice write Lydia E. Finkham at the Finkham Co., Lynn, Mass. The result of 60 years experience is at your service.

Walter Klutz Heard From.

D W Klutz, who lives on Route 4, has just received a letter from his son, Walter L Klutz, who arrived in France on October 5th, too late of course to get into the fighting. Walter belongs to the 6th Provisional Company S A R D, A E F and left Camp Hancock for France about September 15th. He says he is well, getting along fine and sends his regards to his relatives

and friends. He seems to be pleased with his work. He does not say anything about when he may be at home, and it is not likely he will soon be on his return voyage and of course will have much to tell of when he returns.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.
