This is to be a book for the entire county and all who are entitled to any consideration will get it.

An honorary and advisory committee has consented to act in connection with the work which is composed our most esteemed citizens and active workers, to wit:

Bankers Organize.

A number of gentlemen representing various banks of this section met at the Yaddin Hotel in Salisbury, last Thursday night, for the purpose of discussing problems of interest to the banks and to organize a working association for the eighth congressional district. Previous to the organization a banquet given by the Salisbury bankers was enjoyed by the visitors and others present. L H Clement of Salisbury presided as toastmaster and later at the business session, and W B Strachan, cashier of the First National bank, delivered the address of welcome. The formation of the association was made complete by the election of W E McWhirter, of the Salisbury Bank and Trust Company as chairman; W G Caswell assistant cashier of the Cabarrus Savings Bank of Concord, secretary, and the election of one banker from each county in the district to form an executive committee.

I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down. I had no appetite, and I commenced eating. It is the best tonic I ever saw." Try Cardui.

FARMER EXPECTED TO SUPPORT LOAN

Stirring Appeal is Sent Out by Heads of Thirty-five National, Interstate and State Agricultural Organizations.

A stirring appeal to American farmers to maintain their wartime precedent of patriotism and loyalty in the support of the Fifth Liberty Loan has been issued by the heads of thirty-five national, interstate and state farmers organizations.

"To make your participation in the Victory Liberty Loan both in money and service, the measure of your devotion to the great cause of democracy" is the cause for which these farm organization leaders, headed by J. N. Tittmore, president, American Society of Equity of Madison, Wis., have sent a message to all farmers of the country, as follows:—

"To the Farmers of America:—
"No finer patriotic service was ever rendered than when the farmers of America, short of labor, credit and farm supplies, still grew the increased crops without which we could not have won the war. The farm women and children gave their labor in the fields and the farms sent more than a million of their best to join the colors. The more that is known about the war, the more gloriously our farmers' part in it will shine.

"The Victory Liberty Loan Drive begins April 21 and continues until May 10. We appeal to you, farmers of America, to finish what you have so well begun. Make this loan as superlative a success as your crops you have raised. See to it that the farmers lead in putting the Victory Loan over the top.

"Make your participation in the VICTORY LIBERTY LOAN both in money and service, the measure of your devotion to the great cause of democracy—the democracy for which many of our boys have made the supreme sacrifice. Let your subscription and your effort be both an offering of thanksgiving for the return of peace and the means by which the world may measure the strength of your patriotism and your determination to see to it that the war shall not have been fought in vain.

"Yours fraternally,
