

WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 603 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

SALISBURY AND ROWAN COUNTY LOCALS

The new city administration will take hold at noon Monday, June 2nd. At this time mayor elect W. B. Strachan and the new aldermen will be sworn in. The first meeting of the new board will take place Thursday night, June 5th.

The negroes are expecting a large crowd in Salisbury when they will celebrate the 30th.

The cornerstone of Haven Lutheran church, Chestnut Hill, was laid with appropriate ceremonies, Sunday, May 18th. The service was conducted by pastor, Rev. G. H. Lingle, who was assisted by Dr. M. M. Kinnard, Rev. J. L. Morgan and Floyd Lingle.

The Salisbury public schools are arranging for their closing exercises to take place from June 6th to 9th. Whitehead Klutz, who has been making his home in Washington for several years will make the literary address, and Dr. E. C. Raynal, pastor of the First Presbyterian church of Statesville, will preach the baccalaureate sermon.

School authorities have decided to conduct a summer school for the Negro teachers at Livingstone college to begin July 28th and continue four weeks.

The county commissioners have arranged to erect at once a steel bridge across Grant Creek near Spencer.

There were only 171 votes cast in the municipal election held here on the 19th instant, but everybody was elected with a whoop, but a small one.

The Salisbury Normal and Industrial institute is in the midst of commencement. Saturday afternoon the rooms of their school building were open to the public and some folks called to see the handiwork of the young ladies. Sunday morning Rev. R. S. Sanders, of Thomasville, Ga., at the First Presbyterian church, preached the annual sermon to the Y. W. C. A. of the school, and in the evening at the same place he preached the baccalaureate sermon for the school. Tuesday morning ex-Governor Ansell, of South Carolina, delivered the commencement address at the old court house.

The Spencer school board has elected Prof. H. C. Miller of Hickory, as superintendent of the Spencer schools for the coming term and he is to enter upon his duties July 1. The board made the selection from a long list of applicants for the place and feels that it made a wise choice. Professor Miller is a graduate of the State University and also of Lenoir college at Hickory where he has been a member of the faculty for some time.

Notice has been given that quite a number of men will be laid off at Spencer, Sunday, June 1st. This will materially decrease the payroll and it is hoped will be only temporary.

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 50c per bottle.

O. W. Spencer has gone to Blowing Rock to prepare for the opening of the Green Park Hotel for the summer. Mrs. Laura B. Crouch and daughter, Miss Julia, will go later.

The time to give in your taxes for the year will close Saturday of this week. The county is badly in debt and no doubt an opportunity to double tax people, who fail to report will be gladly taken advantage of. Attend to it before you lay yourself liable.

Through the generous offer of the Chautauque people Salisbury went over the top in the Salvation Army campaign during a recess period in the Kryn band program of the evening Tuesday. Ten minutes were given local workers and in that time with a sympathetic audience secured enough pledges to put the county over.

E. S. Millsaps of Statesville, district agent of the farm demonstration work, will, with agents from 31 counties, hold a meeting here on June 10, 11 and 12. It is said they will discuss farming, but watch and see if the enactment of some law to enforce some of their schemes on the people is not also brought up.

The old and young soldiers of Morgan township will gather at Prosperity school house and enjoy a feast and re-union. A large crowd is likely to be present.

J. F. McCubbins, clerk of the court, has received notice that the old Confederate soldiers and widows will not receive their semi-annual payment at present, as has been customary but the full year's allowance will be paid in December.

For a Weak Stomach.

As a general rule all you need to do is to adopt a diet suited to your age and occupation and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets.

Reed Attacks League of Nations.

Washington, May 26.—The league of nations was debated in the senate again today with an increasing show of bitterness.

Senator Reed, Democrat of Missouri, attacked the proposal in such vigorous terms that he aroused repeated objections from senators supporting it and developed a running debate colored by dramatic accusations and heated reports. The Missouri senator declared the league would place the destinies of the white race in the hands of superstitious and ignorant nations of black and yellow population, and charged that many Democrats were supporting it for Partisan reasons.

In frequent interruptions of the Missouri Senator's speech, Senator Hitchcock of Nebraska, ranking Democrat of the foreign relation committee, insisted that the premises for these charges were false and that the inferences drawn were unfair and dangerous. He drew in return a reply from Senator Knox, Republican of Pennsylvania, who suggested that supporters of the league covenant should read it before they discussed it.

So heated did the exchanges become at one point that the chair wrapped for order and Senator Reed declared that Senator Hitchcock had lost his temper.
