**FAITH**

July 9.—J M Proctor and J M Neal of Salisbury were out at Faith last night. Mr Proctor made a long talk on the Catholic doctrine at the Junior hall to a large crowd. Mr and Mrs Robert Ketchie of Macon, Ga., are visiting their uncle and aunt, Jack Eller and wife, here for a few weeks. Their little son, Robert Jr., is with them.

E L Morton, L B Scott and J F Troutman were visiting in Faith and made a short call on Venus.

We found a receipt how to destroy cabbage worms. Send us four cents in stamps and we will mail it to you.

T F Waller and family visited at Charley Ross' Sunday.

J F Troutman of Concord, state organizer for the patriot is Order Sons of America was in Faith today preparing to start a campaign for new members for the Faith camp. The county convention recently met with the Faith camp and a very considerable increase in the county was shown since the last meeting. The order has a large membership in Faith.

There is a Spanish oak tree in the yard on the farm owned by Rev Mrs Barringer that is fourteen feet and three inches around. Who ever can beat that trot out your oak tree.

Venus took dinner at D H Long's. They live on Mrs Barringer's farm and raise clover and all kinds of big crops and thresh wheat for the public. They have two of the largest and finest horses we have seen lately, also two fine mules an uptodate farming machinery and has just gotten a fine large range to cook on. That is the kind of farmers to have.

One family in Rowan has thirteen children, a set of twins in that lot. Five children are married and one of the girls has twins. Who ever can beat that for a big family trot them out. All are living and doing well.

J T Wyatt received another order for curb and post to en close a family cemetery.

VENUS.

**U. S. Army Rifle Superior.**

The superiority of the Springfield, the United States army rifle, over other weapons was easily demonstrated in the rifle competition in the American Expeditionary Force. Of the 260 medal winners, all used Springfield rifles. The highest score of any competitor using the Enfield was four points lower than the lowest score of a medal winner, all of whom used the Springfield.

**The Brown Reunion and Association.**

The Brown Reunion and Association is appointed to meet at Granite Quarry on the 30th of this month, July, at 10:30 sun time.

Owing to the war we have missed two years, but this reunion has not been dead. Now that the war is over we expect to have one of the best times of its life, a reunion and Association and a picnic combined. The morning service will be music, a few short and interesting speeches, and perhaps a synopsis of the history of the Brown de-

scendants, and the afternoon will be given to social relations, friendship and picnic. A social dinner will be enjoyed. Hence all are requested to bring well filled baskets enough for themselves and invited friends. Everybody is cordially invited, remembering that it is to be an association as well as a Brown reunion. We believe there will be much of interest to be heard and seen. A visit to the stone house and grave yard is expected.

The morning train from Salisbury gets there about 10:30, fast time. Remember

the date, Wednesday the 30th of July and do not fail to enjoy this good time.
