Since trifles make the sum of human things.

And half our misery from our foibles springs, Since life's joys consist of peace

and care. And though but few can serve, ye

all can please, Oh! let the ungentle spirit learn from

A small unkindness is a great offenc. -Hannah Moore.

## A Pleasant Surprise.

My brother Johnny says he would do for a first-class bumblebee; he's as hot all over as if he had forty stings. We've been talking through the stove-hole to comfort each other. This hole is in the wall at the side of the bed; so, if I put a chair on the bed and then climb up and the table and said; stand on tiptoe I can see into Jonnny's room, and we can have a good talk. We're in trouble, and this'is how it happened:

One day last week our teacher girl who had a sick father; and he he hadn't any money to buy teet taken out without my con- passes along behind the cars. oranges; and everything had gone wrong inside. Well, the good little girl heard that the dentist wanted some teeth, and would pay well for them. (I don't see why he should have his own for nothing). The your mother and I come." little girl had fine teeth, so she went to the dentist and asked him money they were worth, for her poor father. Then the dentist made her tell him all about her father, and went to see her father, and got Nicholas

a doctor for him, so he didn't die. It was a beautiful story, and made me cry. Johny said it wasn't anything to cry about; stories like that were for examples, and when we had a chance we must go and

Well this morning, when father was putting on his overcoat, Johnny and I asked him for a penny. And father, he said we were always wanting pennies, and he wasn't made of money; and then he went

Sister Em. began to cry, 'cause father said she couldn't have a new dress this easter. Everything was going wrong, and he didn't know what would become of him, and he was sick of everything.

Johnny and I didn't cry; we only looked at each other. While we were going to school,

Johnny said this was our chance. Now we could do like the good little girl, and be a support to our parents. Dentist's always wanted teeth, and ve'd go to the dentist right after school and have it over.

"And then," says Johnny, "if we've made \$5 for father, perhaps, he'll give us our penny, 'cause it'll be such a pleasant surprise to him." light as it appeared, 1 had not the

We couldn't hardly wait for school to be out. I got a black mark in arithmetic, 'cause when Miss Stevens asked me if you had an apple, and if Samuel Smith ate it up, what had you left! I said, "your teeth."

we came to a dentist's, and we went in and asked him if he wanted some teeth. And he said: "Why! did we want to loose some?" And we moment that one might have heard told him "yes."

We thought he would sit down and ask us all about it, just like the other dentest did with the good little girl; but he only said: "Let's look at 'em."

Then he made Johnny climb up in the high chair, and tip his head back; and then he said;

"You want these two out that train get over it?" crowd the rest ?"

by howling."

dentist, "get into the chair and I'll be as gentle as I can." So he helped me up, and tipped back my head, and looked.

"Your teeth are crowded just like your brother's says he; and then

he begins'to pull. My, how it burt! And didn't I

make a noise! I thought my head was coming off. But it was over in a minute, and the dentist told Johnny not to laugh at me, 'cause my teeth came harder than his did.

When our teeth were out we thought the dentist would pay us. kept constantly burning daily were He asked us whose little boy and of paper mache, and when the fa Jan 282. iv. girl we were and where we lived, bricator of this mansion gave banand said this was pleasant weather for little folks. After a while he

"It's \$4."

a letter that would make it all right. So he wrote a letter and sealed it, and told Johnny to be sure to give it to father. He kept laughing all the time he was Writing it. and we thought he was the pleasantest man in the world.

we'd better wait till after dinner to give father his pleasant surprise. And at first I was glad we'd waited; and father said:

beef done right in this house, and ing with Martha Johnson in the re-Mrs. White, my dear, if you could lation of husband and wife, suspeconly have a carving-knife that ted that the girl was receiving would ent! I believe your son uses other visitors, and this morning the carving-knife for a jack-knife." charged her with being unture.

surprise then, so he'd feel better, derous assault upon Johnson. He Johnny took out the letter and gave 'retaliated, using a similar weapon, It to him. He sits next to father, and both were terribly wounded. and I sit next to Johnny. Father Johnson received sixty distinct took the letter, and said :

"What's this sir ?"

pa, and see. Then father read it and wrinkled his forehead all up, and we thought he was going to burst into tears, like the sick man did when the good little girl brought him the

oranges. But he didn't burst into

"What's this, Mrs. White! Have you been running nie into debt, after what I told you this morning?" And mother said: "I'm sure I don't know what you mean, dear." read us a story about a good little Then she read the letter, and called us naughty children, and said: was going to starve to death 'cause "How dare you go and have sound

sent ?" And father said that "what we had done was catamount to robbery: going and getting him into debt of our own accord, and you may go to pay money for teeth, when he could your rooms and think about it till

worst, but he doesn't know anyand he wouldn't take the teeth, but thing about a skipper. Anyhow he gave her the money all the same, it's all over for this time .- St.

### Saving the Train.

The usual crowd of autumn liars were gathered together in the store, occupying all the grocery seatsthe only gross receipts that the pro. pritor took no pride in-when a little, blear-eyed, weazen-faced individual sneaked in by the back door and slunk into a dark corner. "That's him," said the ungrama-

tical bummer with a green patch over his left/eye. "Who is it !" asked several at

"Why, the chap who saved the

train from being wrecked," was the "Come, tell us about it," they de-

manded, as the tall; man crouched Machine or Hand Use in the darkness, as if unwilling that his heroic deed should be brought out under the glare of the blazing kerosene lamp.

After much persuasion he began. bright and clear-and I was going home down the track, when, right before me, across the rails, lay a great beam. There it was. Pale and ghastly as a lifeless body, and powerto move it. A sudden rum-

ble and roar told me that the night express was thundering down and would soon reach the fatal spot. Nearer and nearer it approached Feb:1-'82-1y till, just as the cow-catcher was about lifting me, and I sprang aside

After school we walked about till placed myself between the obstrue flew on unharmed." The silence was so dense for a

a dew drop. Presently somebody

"What did you do with the "I didn't touch it," he replied:

"but it touched me," "Well," persisted the questioner, "if you couldn't lift it, and didn't touch it, how in the dicken sdid the

"Why, don't you see ?" said the Then he put an iron thing into sad-faced man, as he arose from Johnny's mooth and pulled out one his seat and sidled toward the door. tooth, and then he pulled out anoth. "The obstruction was a moonbeam, er. And he said Johnny was a and I jumped so that the shadow brave boy, 'cause he didni't hallow, of my body took its place, and-" "I asked Johnny if it hort, and Bang flew a ham against the he said, "Not much, and don't you door; and it had struck the body disgrace the family, Kitty White, of the retreating hero there would "Now, my little lady," says the spot frescoed on the panel.

## The Wonder of Paper.

At the Melbourne exhibition. held recently, there was a completed dwelling house made entirely of joist, paper stairways, paper careven the stoves bright fires were when not professionally engaged. cloths, the napkins, the plates and BLOUST BURNES, sancers, the bottles and fumblers, and even the knives and forks, Louisa Burnes,
