

The Wilson Advance

A WEEKLY DEMOCRATIC NEWS-PAPER DEVOTED TO THE MATERIAL, EDUCATIONAL, POLITICAL AND AGRICULTURAL INTERESTS OF EASTERN SOUTH CAROLINA.

Published Every Friday Morning.

Joseph Davis, Editor and Proprietor.

Friday Morning, September 7.

Gov. Holden Speaks Again.

Ex-Gov. Holden is out again in a card in the News-Observer under date of August 13th.

In which he more plainly defines his position.

and serious injury to the financial prosperity of the counties.

I am a "Holden man." The old people of the State will know what this expression means.

We have heard nothing recently more touching, says the Greensboro "Workman," than the drowning of Mr. Pickard's little boy.

I am receiving letters from friends in all parts of the State approving my course.

P.S.—I think the Greensboro "News-South" ought to copy this card and to require its classical and eloquent correspondents to sign their names to their communications.

The Durham Tobacco Plant says that Mr. Julian S. Carr, of that place, will decline to let his name be carried before the State Convention.

I was a democrat forty years ago, when it was a great and glorious thing to be a democrat.

The national government has been sectional since 1860, and is now sectional in that it does everything for the North.

In a speech the other day the whiskey candidate for Governor of Iowa is reported to have said "I am in favor of a saloon on every hill-top if necessary, and on every roadside, and every street, and every thoroughfare, and in all public places—the more the better."

A well defined policy; no dodging of issues; candidates who will command the respect and confidence of the people; a strong vigorous and unflinching support.

The New Bern Journal says "cheap goods and cheap whiskey" is the true interpretation of the demand for the repeal of the revenue taxes.

Ben Butler will run again for Governor of Massachusetts.

The colored people are going to hold a further meeting at Louisville Ky. Sept. 24th.

The Goldsboro "Messenger's" first choice for Governor is Seales.

There is great excitement in St. Louis over the abduction of a little girl aged 19 years.

Another reason for my course is that the President desires to recommend and Congress fails to pass a bill to refund to the Southern States the tax of eighty millions of dollars imposed on them.

Another reason, and a great one is that the Southern States are the equals of the Northern States in the Union.

THE BOSTON EXPOSITION OPENED September 5th.

Ex-Senator Bruce (col.) denies that his wife was on the steamer Shenandoah.

Our Governor will receive many attentions while in New England.

The thing of writing about white women running away with negroes has become a little monotonous.
